## Machine Operator | Morning Shift

Thomastown

Australia, Victoria

[Apply Now](#)

We've been proudly bringing joy to tables and smiles to faces with the delicious food we've been crafting for over 100 years.

A large part of our strong growth and success is because we're always looking for new ways to do things and thinking about how we can create a better, more sustainable future world together.

Our success as an industry leader in providing deliciously good food means we can continue to invest in our future as we work towards becoming Australia and New Zealand's first choice for poultry.

### **Your opportunity to join our team**

Our Further Processing facility based in Thomastown operates Monday to Friday and Saturday on request; we currently have openings on our AM shifts. We are also looking for people who are flexible to cover various shifts and weekend work as and when the need arises in order to support the team.

Previous Machine Operator experience in an FMCG environment is preferable. Your ability to guide a team of operators on the line will also be preferable.

**Current availability across:** This is a permanent opportunity on our morning shift Monday

to Friday: 7:10am start.

## **Benefits**

Immediate start – No experience required, on the job training provided

Onsite Parking

Great employee benefits including product discounts, travel discounts + more!

Great job security with an ASX listed and stable company

The health, safety and wellbeing of our people is our highest priority

Fast paced and team focused environment

Consistent hours provided weekly

Uniforms provided & cleaned by Ingham's

## **Daily Tasks**

Operate robotic palletising system

Ensuring safe and efficient operation of equipment, particularly when setting up and when product change overs are required

Operate Robotic pick and place system, Baggers, Case erector equipment and box forming equipment

Being an active, respectful team member that is reliable and honours work commitments

Get involved with safety, follow the safety rules, speak up and be mindful of risks

Maintaining a high level of personal hygiene

Storing and maintaining materials, equipment and tools

Identifying and escalating Food Safety & Quality issues, hazards and risks.

We're looking for people who are curious, caring, courageous and committed to join us.

People who want to contribute their best work every single day and continue delivering delicious food that's... Always Good.
