Company: HealthcareLink

Location: Saint Marys

Category: healthcare-practitioners-and-technical

About the Opportunity

A very busy bulk billing clinic in the St. Marys area is urgently needing to replace a departed doctor who has recently left the clinic. Located in a high foot traffic area inside a shopping complex with a lot of walk-in patients as well as pre-booked appointments, the doctor owned and operated practice is open 7 days a week with onsite pathology also available every day of the week. You will have the assistance of a practice nurse to help out with a large proportion of patients who require care plans and healthcare assessments and be working alongside an experienced team of medical, allied healthcare professionals and consulting specialists who are always fully booked. Range of services available here include inoculations, occupational health, treatment for skin conditions, women and men's health, paediatrics and geriatrics, minor procedures, physical rehabilitation, counselling, nutrition and foot care. The clinic has ample parking for patients and staff and is also easily accessible by public transport with nearby bus stops. The ideal candidate will be available at least 3 days a week with the capacity to participate in a rotating weekend roster so if you're a VR GP who is still subject to the moratorium requirements and seeking a non-rural DPA position that's not too far away from the city this position is for you! Please **APPLY** to this role with your latest CV or contact us on the details below for more information about the opportunity.

Essential Criteria:

MBBS or equivalent

Must have a current and valid AHPRA GENERAL /SPECIALIST registration

FRACGP qualified

Available at least 3 Days a Week
