Consultant Apply locations Melbourne time type Full time posted on Posted 4 Days Ago job requisition id REQ555133 What success looks like in this role:

You will work with enterprises helping them to achieve their Microsoft 365 transformation goals. This involves a wide range of activities covering designing and deploying Microsoft Exchange Online, SharePoint Online and Office 365. Creating effective documentation like Design Documents, Migration Plans, Test Plans and helping to deliver the Unisys portfolio of services. Drive client-facing workshops, create an end-state roadmap designs and transformation plans in Microsoft 365 workloads including Microsoft Exchange and SharePoint Online. Supports delivery of Unisys Area of Strength portfolio strategy presentations to clients including features, implementation approach, technical requirements, impacts, and benefits. Responsibilities including solution design, risk analysis, proposal preparation and client presentations. Provides input to technical estimates created with standards tools, portfolio Work Breakdown Structures, statements of work and industry standard estimating techniques. Adheres to architectural artifact requirements and architectural best practices. Participates in design peer reviews and internal project reviews. #LI-KC1

You will be successful in this role if you have:

5+ years of consulting experience plus a bachelor's degree OR 3+ years consulting experience and a master's degree OR equivalent work experience. 5+ years on M365 Implementation and Transformation experience. Applicants must be Australian Citizens. This is due to the nature of the work and client involved. Successful candidates will have deep

technical knowledge of Microsoft Exchange On-premises and Exchange online, SharePoint On-premises and SharePoint online, Microsoft Teams, OneDrive for Business, SCCM, Intune, Office 365 and supporting technologies. Strong personal and communication skills are a must. This role is a permanent full-time opportunity with Unisys Australia and will be based in Melbourne, Victoria. Unisys is proud to be an equal opportunity employer that considers all qualified applicants without regard to age, caste, citizenship, color, disability, family medical history, family status, ethnicity, gender, gender expression, gender identity, genetic information, marital status, national origin, parental status, pregnancy, race, religion, sex, sexual orientation, transgender status, veteran status or any other category protected by law. This commitment includes our efforts to provide for all those who seek to express interest in employment the opportunity to participate without barriers. If you are a US job seeker unable to review the job opportunities herein, or cannot otherwise complete your expression of interest, without additional assistance and would like to discuss a request for reasonable accommodation, please contact our Global Recruiting organization at [GlobalRecruiting@unisys.com](mailto:GlobalRecruiting@unisys.com) or alternatively Toll Free: 888-560-1782 (Prompt 4).
