

## Mri / Ct Radiographer

[Apply Now](#)

Company: Carlisle Health

Location: Queensland

Category: other-general

Join Our Team with a Sign-On Bonus and Relocation Allowance Available! The Role: As a valued member of our dynamic multi-modality x-ray department, you will collaborate with the Chief Radiographer and the Carlisle Health team to establish, initiate, and expand our MRI services. Ideal for experienced MRI radiographers looking to advance their career. Also available to competent CT Radiographers looking at training in a new modality. We tailor a package to accommodate your and your family's needs. Exact Radiology Ipswich and Plainland provides a comprehensive range of radiography services, including CT, Ultrasound, General X-ray, Bone Densitometry, Mammography, and OPG. This role presents an exciting opportunity to grow our MRI department through a coordinated and supported approach. The Location: Conveniently situated in Ipswich, just a short drive from Brisbane, our location offers the perfect blend of urban amenities and natural beauty. Ipswich is renowned for its rich history, vibrant cultural scene, and stunning parklands. Enjoy exploring the historic architecture of the Ipswich CBD, or unwind in one of the many picturesque parks and gardens scattered throughout the area. With easy access to hiking trails, waterways, and outdoor recreational activities, Ipswich is the ideal setting for those who enjoy an active lifestyle. The Benefits: We offer an attractive remuneration package, including relocation assistance. Enjoy a relaxed lifestyle with no on-call work required. Experience in establishing an MRI department is highly regarded. The Requirements: Current registration with the Australian Health Practitioner Regulation Agency (AHPRA) as a Medical Radiation Practitioner. Possession of a current Radiation Use License. Application Questions : Are you currently registered with the Australian Health Practitioner Regulation Agency (AHPRA)? Which

radiology tests do you have experience with? Describe your right to work in Australia. How many years of experience do you have as an MRI Radiographer? Your application will include the following questions: Which of the following statements best describes your right to work in Australia? How many years' experience do you have as an MRI CT Radiographer? Are you currently registered with the Australian Health Practitioner Regulation Agency (AHPRA)? Which of the following radiology tests are you experienced with? Do you have a current Queensland radiation licence? Report this job advert Don't provide your bank or credit card details when applying for jobs. Choose from thousands of courses delivered by leaders in education. #J-18808-Ljbfrr
