

## Multiple VR General Practitioner roles available across QLD

[Apply Now](#)

Company: Forhealth Group

Location: Australia

Category: healthcare-practitioners-and-technical

Join our leading team of professionals and practice from one of our multidisciplinary medical centres across QLD.

We will support you in providing the best quality medicine and continuity of care by having access to a variety of services all under the one roof. Examples include: Physio, Allied Health, Specialist, Radiology, Pharmacy, Dental Treatment Rooms, Treatment and procedural areas with Nursing support, and Skin Clinic Onsite in select centers.

We understand the importance of work-life balance and we're offering arrangements with no exclusivity requirement, flexible roster arrangements and administrative support, allowing you the time and flexibility to fulfil your professional and personal goals.

Unique to the ForHealth Group, we offer support for ongoing professional learning and development provided by our dedicated educational resource, the ForHealth Institute Learning Platform. Grow your practice, develop special interests, such as travel medicine, skin cosmetic, mental health, chronic disease management or women's health, or be rewarded by mentoring the next generation of GPs, all while being supported by our dedicated clinical support team.

### **As a general outline, you will have the following duties:**

- + Provide comprehensive, continuing medical care for individuals, families and communities by working as a General Practitioner
- + Conduct consultations to follow up on simple and complex health conditions
- + Provide a range of health services including prevention, treatment and rehabilitation
- + Consult with other health professionals (i.e. nurses, other specialists and allied health)

+ Provide ongoing education, participate in health promotion, conduct research, assist in training of colleagues and other health professionals

### **Qualifications, Skills & Experience required**

+ Medical Degree from an accredited Medical School and post-graduate experience in providing quality appropriate medical care in a General Practice setting.

+ Registration with the Medical Board of Australia (AHPRA)

+ Willingness to participate in continuing professional development activities

+ Current CPR certificate

+ Clinical competency in all aspects of primary health care involving children and adults.

+ Assessed and approved previous experience in general practice medicine

### **Benefits:**

+ Practice your way-appointments, walk-ins, or telehealth consults are available, based on your preference

+ Flexible hours

+ Short- and long-term arrangements, no exclusivity

+ Use of a modern and fully-equipped consulting room

+ Qualified Nursing support

+ Accredited CPD GP webinars available through our dedicated ForHealth Institute platform
