

## Nurse/Midwife Clinical Specialist - Preventable Chronic Conditions Educator

[Apply Now](#)

Company: Northern Territory Government Of Australia

Location: Australia

Category: other-general

Primary Objective: Supports and provides collaborative, appropriate, proficient, coordinated direct and indirect clinical care for complex client presentations, including working with and alongside less experienced nursing and midwifery staff, within the specialty area. As per merit selection principles, an applicant's suitability for this vacancy will be determined having regard to their knowledge, skills, qualifications and experience, and potential for future development. Whilst a postgraduate qualification is an essential requirement for ongoing appointment to this vacancy, all applicants will be assessed. If the most suitable applicant does not hold the qualification, they may be appointed on a fixed term basis with ongoing appointment subject to them attaining the qualification during the fixed term period. One vacancy is available, either ongoing or fixed for 18 months. Special Instructions: Aboriginal applicants will be granted priority consideration for this vacancy
