

Nurse Unit Team Leader

[Apply Now](#)

Company: Be Recruitment

Location: Australia

Category: healthcare-practitioners-and-technical

Contract & permanent role available

Central Sydney location

Monday - Friday shifts only

Join Our Client's Dynamic Team as a Nurse Unit / Team Manager

Situated in the vibrant Surry Hills, our client's services go beyond the ordinary, encompassing both withdrawal management support (detox) and residential rehabilitation, along with community-based programs. Committed to fostering a safe, drug-free residential environment, they offer comprehensive assessments, individualized treatment/recovery plans, and dedicated case management.

The Role

We are currently on the lookout for a passionate and experienced Nurse Unit Manager (Internally referred to as Nurse Team Leader) on a contract basis to start ASAP. In this role, you will oversee the management of specialized withdrawal management (detox) nursing services, clinical assessments, mental and physical health care, and referrals for addiction medical assistance. This is a 10-bed co-located unit with 8 Nursing staff under you plus 1 Case Manager. Your responsibilities will also include line management of the nursing team, ensuring nursing assessment, support, and treatment align with the Management of Withdrawal from Alcohol and Other Drugs Clinical Guidance and Handbook.

Key Responsibilities:

Working hours are Monday - Friday

Provide leadership in nursing assessments, support, and treatment adhering to clinical guidelines (Mental Health or AoD experience highly desirable)

Collaborate and liaise with visiting medical officers (VMOs) while managing stakeholder relationships

Ensure the safe dispensing and administration of medications

Oversee admission and discharge processes, maintaining accurate case notes and documentation

Facilitate smooth handovers during shift changes

Rostering of staff

Reporting Structure: This position reports to the Regional Manager and is based in Surry Hills, NSW.

Requirements: To excel in this role, you should possess:

Tertiary qualification in Nursing

Registration with the Australian Health Practitioner Regulation Agency (AHPRA)

Minimum 1-2 years of management experience and demonstrated competence in alcohol and other drugs nursing, including working with individuals with mental health conditions

Current knowledge of guidelines and issues related to withdrawal management

Skills in triage, medical assessment, decision-making, and crisis support

If you are a values-driven professional seeking a rewarding opportunity in a progressive and supportive organization, we invite you to apply. Join our client in making a positive impact on the lives of those seeking recovery.

Please send applications to Jenny@berecruitment.com.au
