Providing a full range of surgical specialties, with more than 1800 operations each month, every theatre and cath lab is equipped with state-of-the-art technology to provide patient centred care. Our 3 day-of-surgery admission points and staff focus on every patient having a positive experience with their admission to theatre, while our 3 Post-Anaesthetic Care Units and 2 discharge lounges cater for all specialist post-operative care requirements. The Role An exciting opportunity for an experienced Orderly to join our theatres at Cabrini Malvern. We offer a supportive environment where the team work closely to achieve best patient outcomes and provide high standards of care. The applicant needs to be a caring person who is passionate about helping others, as a large focus of the orderly role involves patient transport and interaction. The Orderly role requires the successful

candidate to be flexible in their working hours and have availability to work a seven-day roster. Key responsibilities include: Transporting patients, equipment and courier items around the hospital. Providing support and assistance, under the direction of a Registered Nurse or other clinical staff. Provide a high level of customer service to patients, visitors and staff. Contribute to the team, cooperate and communicate. Performs cleaning duties, waste management & maintains cleanliness of equipment. How you will make an impact We are seeking preferably someone with previous experience as an orderly, or from a similar work environment, but not essential. The successful candidate will be a self-motivated individual with initiative and energy to support the theatre environment. You will also have: Flexible working availability as will be scheduled over a 7-day roster. Ability to work within a multi-disciplinary team. Ability to take direction. Sound communication skills, proficient in written and spoken English. Ability to work in a physically demanding role. To view the position description click [here](#). Does this sound like your new role? Bring your skills and enthusiasm to Cabrini and help optimise the patient experience and health outcomes for our community. You will have opportunities to learn new skills and give back to your community. Working for Cabrini Cabrini Health is a Catholic, private, for-purpose health service located in Melbourne's southeast. Inspired by the mission and ethic of care of the Cabrini Sisters, we have been providing quality, compassionate care to our community for 75 years. There is something special about Cabrini. Wherever we work, we are compassionate, connected people transforming lives together. Our highly skilled staff and specialists incorporate clinical research, innovative models of care, and state-of-the-art technology to deliver the best possible care and outcomes for our patients. We demonstrate our mission to serve our community through outreach programs that support asylum seekers and provide healthcare in rural communities and in underdeveloped countries. Our size, reputation, and growth strategy ensure genuine opportunities for our people to learn, grow and realise their potential. Cabrini is an equitable and inclusive employer and is committed to providing a safe environment for children and vulnerable people. Our values: Compassion - Integrity - Courage - Respect

**MANDATORY FOR ALL NEW STAFF TO CABRINI** Employment with Cabrini Health will be based on satisfactory background checks such as professional references, National Police Check, vaccinations for Influenza and COVID-19 (including boosters), plus a Working with Children Check (WWCC) may also be requested.
