SafetyCulture is a global, product-led SaaS company with the mission of helping distributed working teams get better every day.

We are building a mobile-first operations platform that gives workers a voice, and leaders visibility, to make better decisions in the workplace every day. Our mission is to unite teams to become a force for improvement in any organisation.

Headquartered in Sydney, SafetyCulture has six offices around the world and over 70,000 customers.

SafetyCulture is a fast-growth, global technology company that is helping to transform workplaces around the world. We are seeking a People Operations Specialist to join our dynamic team. This role is crucial for supporting our significant growth and ensuring an exceptional employee experience across the SafetyCulture Group. Joining the P&C team at SafetyCulture means you'll be part of a dedicated and passionate group committed to making a difference. Here, you're not only supporting the development of our people; you're actively shaping and enhancing our culture as we scale.

As a People Operations Specialist, you will play a key role in managing and improving our people processes to support the lifecycle of our employees. You will spend approximately 70% of your time on core operational duties, such as managing our HR service desk and handling cyclical HR processes. The remaining 30% will be dedicated to project work aimed at evolving and scaling our employee experience.
