[Apply Now](#)

Company: Northern Territory PHN

Location: Darwin City

Category: healthcare-practitioners-and-technical

Excellent remuneration package

Highly supportive career development opportunities

Up to \$10,000 for relocation support

### Why Gove Pharmacy?

Gove Pharmacy is an independently owned Pharmacy which is a part of the Amcal group. They have been looking after the health needs of Nhulunbuy and East Arnhem Land for over 40 years. The organisation is passionate about health, particularly Indigenous health. They service not only the township of Nhulunbuy, but several remote communities in North East Arnhem Land.

### What's in it for you?

Excellent remuneration package commensurate with experience

Highly supportive career development opportunities

Relocation support available for eligible candidates

Access to a unique lifestyle in North East Arnhem Land

Working with a highly experienced team.

### What's the role?

Supply of medications in accordance with Pharmacy Board of Australia regulations, including

scheduled and non-scheduled items

Recording and dispensing of medicines to meet all requirements of the Pharmaceutical Benefits Scheme (PBS)

Consistently provide a high standard of customer service including the positive handling of customer complaints

Counselling customers on the use of their prescriptions and OTC medicines where necessary

Suitable candidates may be involved in visits to local health centres for a variety of professional support tasks.

### **Is this the right role for you?**

Unconditional AHPRA registration as a Pharmacist

Prior experience working within teams and meeting deadlines

Ability to work unsupervised in either a retail pharmacy or busy Dose Administration Aid section

Willingness to work both inside and outside a normal retail pharmacy environment

Good communication skills both with internal staff and other health professionals

Strong organisational skills and a passion to deliver exceptional health outcomes for our clients.

may be able to offer to health professionals who are relocating to the NT or moving within the NT to a greater remoteness area classification for the purposes of employment and further clinical education.
