Power Generation Field Service Technician

Description

Power Generation Field Service Technician – Electrician - \$5000 sign on bonus

We believe in flexibility for you to explore your passions while making an impact through meaningful work within our inclusive workforce. That's what #LifeAtCummins is all about.

We are looking for a talented **Technician - Electrical** to join our Power Generation Team in Hume, ACT. This role will see you as a field-based technician specializing in repairing and maintaining high horsepower, prime and standby generators.

In this role, you will make an impact in the following ways:

Deliver a first-class service to our customers

Complete repairs and maintenance, prime and standby generators

Diagnose and repair various generators

Ensure adherence to all relevant Health Safety & Environmental policies, procedures and legislation and report any issues / incidents to the Field Service Supervisor

Complete required documentation, such as service worksheets, timesheets, warranty claims, quality documents via handwritten forms or business system input screens

To be successful in this role you will need the following:

Be a trade qualified electrician

Be keen to upskill with Cummins product training

Solid diagnostic and IT capabilities

Have worked in an environment where a code of conduct is embedded

Put safety first, every task every day

Full electrical license required, NSW license preferred

Ability to work independently and as part of a team

Capability with dealing with customer and managing a repair from start to finish

Compensation and Benefits

Competitive hourly rate paid as a permanent salary. Overtime penalties. Uniform. Further training. Participation in an annual variable compensation (bonus) program. Income Protection continuance insurance. Discounts with select private health insurance, PC software/hardware and a range of vehicles. Annual remuneration reviews. Safety equipment / PPE and uniforms provided and a range of personal and professional benefits.

At Cummins, we are an equal opportunity employer dedicated to diversity in the workplace. Our policy is to provide equal employment opportunities to all qualified persons without regard to race, gender, colour, disability, national origin, age, religion, union affiliation, sexual orientation, veteran status, citizenship, gender identity and/or expression, or other status protected by law.

We are proud to be recognised as a WORK180 Endorsed Employer for All Women. Click here (link to our work180 page: <https://work180.com/en-au/for-women/employer/cummins-australia/jobs>) to check out our Benefits
