Job description

About the Job:

We're seeking a talented Principal Electrical Engineer to join our client's team in Perth for an exciting project within the Oil and Gas industry. As a Principal Electrical Engineer, you'll play a key role in driving and delivering safe and sustainable electrical design on a project moving into the execution phase. The project focuses on converting an existing brownfield site into a renewable fuels site, making it a unique and innovative opportunity.

Responsibilities:

- Undertake engineering design and technical verification of project deliverables.
- Proactively address safety hazards and risks associated with the project.
- Prepare engineering calculations, drawings, and documentation.
- Facilitate Safety in Design risk assessments and participate in project reviews.
- Communicate effectively with stakeholders and manage packages interfacing with contractors and vendors.
- Coordinate engineering tasks, maintain technical integrity, and ensure quality and consistency.
- Report progress, resolve technical issues, and follow client processes.

Requirements:

- Tertiary Qualification within Electrical Engineering or Equivalent.
- Extensive experience as a Principal Electrical Engineer
- Strong technical skillset and ability to work across multiple work fronts.

- Experience in the oil and gas refinery industry.
- Experience across all project phases from feasibility to execution.
- Proficiency in brownfield interfaces, HV and LV systems, power distribution, etc.
- Site experience including construction and commissioning.
- Chartered Professional Engineer (CPEng) status.
- Hazardous Area Accreditation/ Functional Safety certification.

What's on offer:

- 6-month contract with attractive remuneration
- Modern offices in Perth CBD with great facilities on site.
- Reputable, renowned company within the Oil and Gas industry.

How to Apply:

If you meet the above requirements and are ready to take on this exciting opportunity, please submit your resume through this ad or email Brendan on brendanc@titanrecruitment.com.au
