

## Procurement Specialist

[Apply Now](#)

Company: McArthur

Location: Australia

Category: business-and-financial-operations

Our client is currently sourcing a Procurement Officer based in the CBD fringe with the skillset, experience, and enthusiasm to deliver best practice end to end category management solutions.

Reporting to the Procurement Manager, you will be responsible for category planning, management, and sourcing activities to deliver strategic and commercial procurement and supply chain outcomes for medium-high risk and high value portfolios. You will partner with business representatives across the organisation, taking a customer centric approach, to facilitate best practice procurement outcomes.

### **To be successful in this role, you will have:-**

Ability to lead and facilitate stakeholders at all levels of the business to achieve business outcomes.

Demonstrated experience in managing strategic partnering relationships to drive best practice outcomes by using a strategic advisory approach to achieve business outcomes.

Key to this is your ability to influence, equip, enable, and empower the business to effectively define and deliver value.

Experience leading, developing, implementing, and managing a portfolio of category plans to deliver synergies, cost savings and risk-reduction, and/or optimisation of the portfolio to delivery best for business outcomes.

Experience in procurement functions together with experience in the development and implementation of category plans and complex contractual arrangements.

Experience in influencing stakeholders and others to achieve specific end to end procurement outcomes within appropriate time frames.

A customer centric procurement professional that delivers tailored solutions for your stakeholders

Please HIT APPLY now if you are up for a challenge or call Maria if you require more information on 1 0.
