

## Procurement Specialist

[Apply Now](#)

Company: West Recruitment

Location: Australia

Category: business-and-financial-operations

- North Western Sydney
- Hybrid working environment after settling in
- Immediate start

The organisation:

We are excited to be partnering with a modern, forward-thinking organisation that derives revenue through several varied yet highly profitable vertical streams. They are a big believer in sustainability, equity, ethics and the need for continuous transformation to stay at the forefront of their industry.

The Opportunity:

Working as a valued team member within Procurement, this position exists to provide a broad range of efficient and effective commercial outcomes. Responsibilities will include:

- Develop targeted category and sourcing plans
- Coordination of effective procurement strategies
- Develop and maintain successful supplier relationships
- Supplier performance analysis
- Compliance and risk management

About you:

You will have had extensive experience working in strategic sourcing, category management, procurement processes and analysis, negotiations, contract management and supplier management. Those who have backgrounds in Facilities Management and IT procurement are especially encouraged to apply.
