Company: Hudson

Location: Western Australia

Category: other-general

Are you a seasoned Procurement Specialist looking for your next challenge? We're in need of a talented individual to take charge of managing supplier agreements and contracts to support our Capital Works Projects and Operations. We are seeking a procurement professional who thrives on being instrumental in analysing corporate spend, developing procurement strategies, and fostering strong supplier relationships. Your strategic thinking and ability to navigate complex procurement landscapes will be essential in ensuring the success of our projects.

Key Responsibilities: Analysing corporate spend patterns to identify opportunities for consolidation and cost savings. Developing and implementing procurement strategies aligned with organisational goals. Managing supplier relationships and ensuring compliance with contract terms. Collaborating with internal stakeholders to understand their requirements and develop tailored procurement solutions. Monitoring contract performance and identifying areas for improvement.

Skills, Experience and Qualifications: Degree qualified in Commerce, Law, Engineering, Supply Chain or Business. Extensive experience in procurement, preferably within a large organisation. Strong analytical and strategic thinking skills. Excellent communication and negotiation abilities. Ability to thrive in a fast-paced environment and manage competing priorities effectively.
