### Description

#### Your Job:

Operating a machine that produces high-end products for ¼ of the world's population is a hard job, but it's worth it when you're recognised often by your manager, supported by your team, and see the products you produce being used by your own family at the end of the day.

K-C are seeking applications for Production Technician roles across our operations. We are a 24-hour operation with rotating day, afternoon, and night shifts (8-hour shifts).

As a Production Technician you will:

Be trained to operate machinery safely and efficiently across our manufacturing operation

Be responsible for the quality, productivity, and safety of our production assets in our World Class Manufacturing facility in either manufacturing or within our on-site in our Distribution Center.

Ensure all safe work systems, procedures (SOPs) and standards are adhered to

Monitor quality against K-C standards and identify, diagnose, and troubleshoot faults

In this role, you will be running technologically advanced, high-speed manufacturing equipment and collaborating with new and experienced team members to do your best work safely. This role is part of Kimberly-Clark's substantial investment in expanding its capabilities to produce premium products such as Viva and Kleenex that are essential to millions of lives around the world, produced right here in Millicent, SA. It starts with YOU.

## **About Us:**

People have looked to **Kimberly-Clark** brands for more than 150 years and today we're proud to help over a billion people around the world cope, laugh, love, and live every day.

From the best nappies and baby wipes to the softest tissues, to the best supplies for business, we are constantly searching for new ways to make life better for our consumers, our customers, and our planet.

Kimberly-Clark (KC) Australia's Millicent Mill is a world class manufacturing facility where we make some of our leading brands and have done so for 64 Years!

Our leading consumer brands like the Kleenex, Huggies, VIVA, U by Kotex, Poise and Depend, improve the lives of people around the world.

We generously support local not for profit organisations.

## **Led by Purpose. Driven by You.**

### **About You:**

You're driven to perform at the highest level possible, and you appreciate a performance culture fuelled by authentic caring. You want to be part of a company actively dedicated to sustainability, inclusion, wellbeing, and career development.

Along with your commitment to delivering high quality products you will:

Follow and adhere to relevant processes and procedures

Be self-motivated with a strong focus on safety, thoroughness, and team cohesion

Have a willingness to learn, be open minded and driven to achieve

Hold a current High Risk Forklift Licence (LF) or willing to obtain prior to employment

Help K-C cultivate ideas and refine our understanding of our valued consumers.

### **What's on offer:**

Our manufacturing employees are some of our most important workers, our most loyal fans, and our favourite people, so we take care of them well. We've listed just a few of the many offerings that the successful candidate of this role would enjoy, if hired.

You can expect:

A very competitive remuneration package with opportunities for up-skilling and career development. Remuneration starts at \$84,000 per annum

Family Friendly Roster - Rotating Days / Afternoons / Night - 8 Hours Shifts + 10 days

off + 5 weeks Annual Leave

To create authentic connections with your team members and supervisors who have a passion to deliver high quality products with a focus on safety

To work and learn in a world class facility with leading technology

A well-developed training process that includes access to on site trainers and on-the-job training with experienced Technicians

Financial benefits including discounted products, partnerships with companies such as Flare Rewards, saving you \$\$\$ on your everyday purchases, and even a discount on your health insurance with BUPA + a free membership to our on-site gym.

Access to our Employee Assistance Programs (EAP), Social Club (inc. discount fuel card and one of the biggest family Christmas shows in SA), on site canteen.
