Company: Randstad

Location: Australia

Category: computer-and-mathematical

Project Manager Salesforce is currently required for a 18 months fixed term assignment to manage the reconfiguration/improvement of the Salesforce CRM system for an Education based client. You will be required to be a hands-on Project Manager and be able to manage vendors and stakeholders, as well as manage the change/training for the system. To be successful in this position you need to be an experienced Project Manager who has successfully managed the configuration /implementation of Salesforce CRM. Ideally you would have come from a technical background and understand the technical nuances of the Salesforce system. Strong vendor management and stakeholder management skills are a must. Apply today using the link below or email Leonie.woodfine@randstad.com.au

At Randstad Digital, we are passionate about providing equal employment opportunities and embracing diversity to the benefit of all. We actively encourage applications from any background.
