Quality Specialist (Projects) ABOUT THE BUSINESS Bravus is a diversified group of Australian businesses delivering integrated energy and infrastructure services for the future. We produce high-quality thermal coal for export at the Carmichael mine and renewable energy from the Rugby Run solar farm, both in central Queensland. Our Bowen Rail Company, Abbot Point Operations and North Queensland Export Terminal businesses transport high quality coal from Queensland's Bowen and Galilee basins to the world. These operations provide reliable and affordable energy solutions that help reduce poverty in the Asia Pacific region and power growth. We are proud to provide secure jobs and opportunities for businesses in regional Queensland, and to help to support local economies so towns, cities and their residents can thrive. We are part of the global Adani Group. Together, our operations are progressing the global transition to a lower emissions future – and fast. The Adani Group is the world's largest multinational solar...
