Job Description - Rail Safety Advisor (259085)
Rail Safety Advisor - 259085 UGL is a diversified services company delivering critical assets and essential services that sustain and enhance the environment in which we live. Our capabilities extend across a broad range of services and whole-of-life solutions for diverse industries, utilising world leading, sustainable and innovative technologies. We partner with some of the world's largest blue-chip companies, government agencies, private enterprise, and public institutions. Career progression & a long term opportunity of making an impact with a high performing, collaborative and professional team are just some of the benefits that UGL Transport will offer you. UGL Regional Linx are looking for a passionate & enthusiastic Rail Safety Advisor to join our team. Who is UGL Regional Linx? UGLRL is a wholly owned subsidiary of UGL. We are headquartered in Orange, NSW and operate several regional depots throughout the state. UGLRL is committed to creating and maintaining job opportunities for people in regional and rural communities. More than 80% of our UGLRL workforce is located along the CRN. Our workforce understands what it means to be regional and is committed to the needs of our customers, passengers and communities. The CRN – Country Regional Network ensures the safe movement of people and goods throughout the regions of NSW, and links Sydney to many of the State's important regional centres. UGLRL is proud to be entrusted with the operations and maintenance of this important piece of rail infrastructure. **Job Purpose** This position is responsible to work under the direction of the Head of HSE and assist in overseeing all rail safety requirements and ensuring compliance with network rules and procedures. **Key Responsibilities**• Coaching and mentoring on rail

safety, including conducting site visits for mentoring and support both randomly and scheduled.

- Prepare reports of site visit compliance with SMS and Rail Safety National Law
- Provide support and guidance in the rail safety operational environment for operations and maintenance activities, including support for the business during shutdowns.
- Assist in the preparation of strategies for working safely within and around rail corridors – including lateral thinking in implementing Safety solutions.
- Assist in the completion of incident investigations when required and coaching of staff conducting investigations.
- Support the response, recovery and learning from incidents which may occur.
- Assist in the development of site-specific safety management documentation such as plans and risk assessments.
- Monitoring compliance with safety controls and ensuring incidents, hazards and safety conversations are reported and control breaches/incidents are investigated for prevention of recurrence.
- Audits of compliance with the Safety Management System, including Network Rules and Procedures, and production of reports.
- Updating of Safety Management System (SMS) documentation as required.

Qualifications

- Current Class 1 Driving Licence
- Experience in Rail Safety National Law and Safety Management System requirements
- Experience in operational rail safety environments
- Experience in rail safeworking requirements
- Experience in delivery of safety initiatives and training
- Demonstrates a sound understanding of Risk Management principles, controls hierarchy etc.
- Sound knowledge of HSSE and Quality Systems.

About Us UGL is well-known and respected for providing end-to-end engineering, construction, and maintenance services within, rail and transport, communications and technology systems, oil and gas, power, renewables and resources, water and defence markets. UGL partners with some of the world's largest blue-chip companies and government agencies, private enterprises and public institutions. We are a member of the CIMIC Group of companies

At UGL, we value diversity – in the backgrounds, ideas, work styles and perspectives of our team. We are an Equal Opportunity Employer and strongly encourage people with disability, Aboriginal & Torres Strait Islander people, mature aged workers and people from culturally diverse backgrounds to apply.

Please note that relevant screening checks will be conducted as part of the recruitment process. These may include a national criminal history check and for you to undergo pre-employment medical assessment including drug and alcohol screen.
