[Apply Now](#)

Company: Health

Location: Australia

Category: other-general

Job no837459 Work typeFull time Location:Far North Categories: Allied and Scientific Health, Community ServicesFlinders and Upper North Local Health Network, Community Health, WhyallaSalary: \$67,466 - \$100,729 p.a - Ongoing Full Time - AHP1/2The Regional Podiatrist RoleThe Podiatrist (AHP2) applies clinical experience, increasingly generalist and/or specialist clinical knowledge and professional competence to plan, implement and evaluate a comprehensive and integrated range of services, appropriate to the needs of the local community. The Podiatrist works under reduced clinical direction, and may contribute to the clinical supervision of less experienced allied health professionals, allied health assistants and students. As a member of a multi-professional team, including health professionals and service providers from other sectors, the Podiatrist utilises a combination of preventative, early intervention, treatment/therapy and evaluation approaches.Under the direct supervision of an experienced Podiatrist, the Podiatrist (AHP1), will contribute to the delivery of a comprehensive and integrated range of health services, appropriate to the needs of the local community. To achieve this, the Podiatrist works as a member of a multi-professional team, including health professionals and service providers from other sectors, and utilises a combination of preventative, early intervention, treatment/therapy and evaluation approaches.Must hold a recognised qualification within a relevant Podiatry Profession, and be eligible for practicing membership of the relevant Professional Association. For those professions requiring Registration, all requirements to obtain and maintain current registration must be fulfilled. For self-regulated professions it is desirable to participate in the professional association accredited continuing professional

development program. Applicants are encouraged to discuss the flexible working arrangements for this role. Appointment will be subject to a satisfactory Criminal History Check and appropriate immunisation requirements. The Region When you join our dynamic workforce you will escape the hustle and bustle of city life and be able to take advantage of the endless possibilities for adventure relaxation, recreation and sightseeing. In The Flinders and Upper North Local Health Network, you can experience cultural diversity, outback locations and regional city conveniences, whilst working in innovative roles to improve the community's health outcomes and wellbeing.
