Overview

Joining the Casual Talent Pool, you will provide high quality nursing care as needed within the Ceduna District Health Services. Assessing individual patient needs, you will plan, implement or coordinate appropriate service delivery from a range of accepted options. You will also provide health education, counselling and rehabilitation programs to improve the health outcomes of individual patients or groups. Where required you will provide support and guidance to newer or less experienced staff, Enrolled Nurses, student nurses and other workers providing basic nursing care.

Consolidating your knowledge and skills, you will develop in capability through continuous professional development and experience and maintain cooperative and productive working relationships with all members of the health care team. Make a real difference and feel like an important part of the community.

The Registered Nurse/Midwife provides nursing and/or midwifery services in health service settings. Employees working within this level develop from novice practitioners to a proficient level of professional practice. They consolidate knowledge and skills and develop in capability through continuous professional development and experience. An employee at this level accepts accountability for his or her own standards of nursing/midwifery care and

for activities delegated to others.

Must be registered or eligible for registration as a Nurse with the Nursing and Midwifery Board of Australia and who holds, or who is eligible to hold, a current practicing certificate.

Being part of Eyre and Far North Local Health Network means you will be supported both personally and professionally, can take advantage of education and training opportunities, will have access to flexible working hours and be part of an inter-professional approach to holistic health care.
