fantastic location Permanent position in the Hunter Valley at the highly regarded Mount

Pleasant Operation Exciting new role with development opportunities Work with a great

team of people in a fantastic location About MACH Energy:

MACH Energy's Mount Pleasant Operation commenced operations in 2017. Located near Muswellbrook, the operation has successfully ramped up to 10.5 Mtpa (ROM) of high-quality thermal coal whilst achieving outstanding safety, environmental, and community outcomes via a One Team mentality adopted by employees, business partners, contractors, and suppliers.

With an impending growth phase and associated capital projects, the MACH Energy team is looking to expand with a full-time Resource Geologist.

About the role:

Reporting to the Senior Coal Quality Engineer the Resource Geologist will provide governance and expertise regarding site geological and coal quality information for the Mount Pleasant Operation. Working closely with a wide range of stakeholders within Operations, Marketing and Resource Development, this role is vital for managing the site geological information

and model, planning and managing future exploration activities, whilst working closely with the Mining Services Contractor.

About you:

The ideal candidate will possess:

Bachelor Degree in Science, majoring in Geology or Geoscience Australian driver's license 5+ years' experience in Mine Geology with previous experience in open-pit mining and coal geology Experience working with multi-seam stratigraphy and coal quality Experience and/or a keen interest in Resource Modelling Experience with Minescape and Deswik – desirable Ability to work autonomously in multi-functional and multi-disciplinary teams and deliver measurable outcomes Excellent verbal, written, and interpersonal skills to effectively communicate, develop & maintain relationships with employees at all levels of the organization and external vendors and stakeholders Demonstrated commercial acumen and high attention to detail

What's on Offer: Permanent role with a great site-based team Attractive salary package and employee benefits Relocation assistance available About Muswellbrook:

Located in the picturesque Upper Hunter Valley of country New South Wales, Muswellbrook is less than three hours' drive north of Sydney and 90 minutes from Newcastle Airport.

Nestled between Scone, the Horse Capital of Australia and Singleton, famous for the Pokolbin wine region, Muswellbrook is the ideal place to call home.

Next Steps:

Please give me a call or send me an email to organise a confidential conversation to discuss your circumstances and any inquiries you may have. If you don't tick all the boxes but feel the role is well-suited, then we encourage you to get in touch. Otherwise, please apply via SEEK and I will be in touch as soon as possible.
