Company: Linkforce

Location: Perth

Category: other-general

Linkforce is a leading integrated maintenance, engineering, and project services delivery business. Founded in 2007, Linkforce started with a small crew of shutdown specialists and a single utility operating in the Pilbara. Our group has now grown to an operational workforce of over 2,800 personnel with an extensive fleet of modern vehicles and equipment that operate nationwide. With our Linkforce Hub app, take control of your workload, simply input the dates you are available to work and receive work allocations to match. Expand your experience, uncover your true potential and grow with Linkforce.

**THE ROLE** We are currently seeking Intermediate and Advanced Riggers to work across Australia's largest mine sites in the Pilbara and Goldfields regions.
