Company: Linkforce

Location: Western Australia

Category: other-general

Linkforce is a leading integrated maintenance, engineering, and project services delivery business. Founded in 2007, Linkforce started with a small crew of shutdown specialists and a single utility operating in the Pilbara. Our group has now grown to an operational workforce of over 2,800 personnel with an extensive fleet of modern vehicles and equipment that operate nationwide. With our Linkforce Hub app, take control of your workload, simply input the dates you are available to work and receive work allocations to match. Expand your experience, uncover your true potential and grow with Linkforce.

**THE ROLE** We are currently seeking Rope Access Boilermakers (Level 1-3) and Rope Access Technicians Level 3 to join our specialist Vertical Services division. Working across Australia's largest mines sites in the Pilbara and Goldfields you will conduct fixed plant mechanical works on Linkforce maintenance shutdowns and projects.

**ABOUT YOU** Ideally you will have experience working on fixed plant maintenance within the mining industry. To be considered you will hold the following: IRATA Level 1-3 Certification AND be a Boilermaker OR IRATA Level 3 Certification (without being a Boilermaker) First Aid Certificate (required for Level 3 only) Construction White Card Working at Heights Confined Space Australian work rights Ability to pass a pre-employment medical and ongoing drug & alcohol screens Rio, FMG, Roy Hill, BHP, Newmont, or Goldfield's inductions are advantageous

**IN RETURN** From \$66.00 to \$90.00 per hour, plus superannuation, paid fortnightly Ongoing work: secure, consistent level of current and future work with Australia's biggest mining producers Flexibility: The ability to self-manage your work schedule with our Linkforce Hub app Training: Obtain new or improve current skills with our in-house RTO (Registered Training Organisation) Career

Progression: Our leadership crews are frequently developed from within NEXT STEP
