Company: Marble Recruitment

Location: Australia

Category: other-general

Permanent safety role with a reputable Mechanical and Engineering Specialist for the mining sector. DIDO or relocation to be enjoyed in Central NSW!

Long term work with a reputable Mechanical and Engineering specialist

Enjoy relocating to Orange or enjoy a DIDO package

Responsibility of all WHS and Compliance systems

Company Description:

Join a leading national Mechanical and Engineering company that specialises in providing solutions and specialty services to the Australian mining, earth moving, drilling, and construction industries. With a strong presence in multiple facilities across Australia, they are dedicated to keeping equipment on the job. Employing over 150 people, their range of services includes mechanical rebuilds, service exchange components, labour hire, field service, engineering and fabrication, asset/equipment hire, plant maintenance and installations, and construction project management.

Job Description:

We are working closely with this industry leader to bring on board an experienced Safety and Compliance Advisor who will take charge of advice, interpretation and guidance on statutory and best practices in the WHS sector, as well as implementing and continually improving safety and quality processes.

This role offers an opportunity to make it your own, and we are looking for a self-motivated, results-driven individual with an ability to support and encourage all of the workforce in line

with WHS standards.

Requirements:

Provide advice, interpretation and guidance on statutory and best practices in the WHS sector

Implement and continually improve safety and quality processes

Administer the centralised platform Beakon for compliance reporting and staff inductions/training

Site visits and site representation on occasions

Facilitate, co-ordinate and maintain primary point of contact for internal and external stakeholders for company compliance audits for ISO certification

Site visits and site representation on occasions

Your skills and experience:

Certificate IV in WHS (Required)

ICAM Facilitator (Required)

Knowledge of Workers Compensation and Return to Work Coordination (Required)

Current Drivers License (Required)

Internal Auditor Qualifications (Desired)

Knowledge of ISO Standards (Desired)

Why apply:

Take on this exciting opportunity to drive safety and compliance in a family-feel specialist. Culture is extremely important so organisation with impeccable analytical skills as well as excellent interpersonal skills are key.

Opportunity to DIDO or relocation to Orange

Long permanent work with full job security

Freedom and flexibility to make the work your own, in line with the existing setup

Don't miss out on this great opportunity to move your career forward with full job security.

Mining experience isn't essential, so if you are skilled in Safety and Compliance then apply now, or call **Eleanor Russell on 0428959789** for more information.
