About Woolworths Group

Woolworths Group is a food and everyday needs retailer united by the shared purpose of creating better experiences together for a better tomorrow. With more than 1,400 stores across its Woolworths Supermarkets, Countdown Supermarkets (New Zealand) and BIG W brands, and fast-growing eCommerce businesses, Woolworths Group is Australia and New Zealand's largest retailer. A top 10 company on the Australian Securities Exchange (ASX), Woolworths Group employs more than 180,000 team members and serves more than 20 million customers a week.

Safety, Health and Wellbeing Partner - WA

At Woolworths, the Safety, Health and Wellbeing of our team and customers is critical. Our Safety, Health, and Wellbeing team is responsible for working with operational leaders to provide and maintain a safe working and shopping environment for our team members, customers, visitors, and contractors. The role partners with Supermarkets Operations and the support teams across Perth as we work towards our vision to protect and care for everyone in our retail ecosystem.

About the Role

Reporting to the State Safety, Health and Wellbeing Manager, we are looking for someone to partner with our operational teams to drive great leadership, care and processes to deliver great safety, health and wellbeing outcomes. Your deep knowledge of relevant legislation and

contemporary approach to safety, health and wellbeing will support your stakeholder relationships.

You will do the right thing always and help us and our store teams bring a little good to everyone, everyday!

A typical day may include:

Conducting store visits and coaching teams to deliver great outcomes

Supporting new store launch programs and projects

Investigating people incidents in line with the National Framework

Completing risk assessments and root cause analysis

Participating in National Safety Programs

Regular travel to the stores in your region

Have fun on site coaching, training and supporting store operations

Partnering with your stakeholders to coach and implement improved processes

Who we're looking for

We're looking for an experienced safety professional with:

Experience in safety, health and wellbeing experience/WHS Diploma level or relevant qualifications

Exposure to finding and fixing hazards, incident investigation, wellbeing programs and root cause analysis

Care deeply, maintain confidentiality and have high energy and enthusiasm for everything you do

Experience monitoring and embedding safety processes and systems that drive performance improvement

Experience working in a high paced, multi-site environment

Detailed knowledge and application of all relevant legislation, reporting and understanding of the regulatory environment.

Must be able to travel to all sites regularly

Why you'll love it here

In addition to this exciting role, these are some of the benefits we offer:

An attractive remuneration package including base + super + bonus + car

A culture that embraces new talent and truly a great place to work.

Team member discounts across all Woolworths brands.

An exciting career - as our business grows, so do the opportunities for our people.

If this role sounds like you, please apply now. #work180

Grow with the Group

As an inclusive, team-first company
