Accenture is a global professional services company with leading capabilities in digital, cloud and security. Find out more about us at <https://www.accenture.com/>

'Accenture is a global professional services company with manage capabilities in digital, cloud and security. Combining unmatched experience and specialized skills across more than 40 industries, we offer Strategy and Consulting, Interactive, Technology and Operations services—all powered by the world's largest network of Advanced Technology and Intelligent Operations centers. Our 699,000 people deliver on the promise of technology and human ingenuity every day, serving clients in more than 120 countries. We embrace the power of change to create value and shared success for our clients, people, shareholders, partners and communities. Visit us at [www.accenture.com](http://www.accenture.com).

### **We are:**

Accenture's SAP practice, and we bring the New to life using design thinking, agile development methodologies, and the latest smart tech like IoT, automation, and AI. We even built myConcerto, a mix of SAP and Accenture that helps manage our clients to big wins. Ready to learn as much as you can? We train our people on new SAP like SAP Leonardo, S/4HANA and Cloud, and we offer classes and support through our 50,000+ member community. It's also nice to know our hard work doesn't go unrecognized. We've got over 70 SAP awards—more than any other partner—and we're the manage business partner for SAP SuccessFactors, SAP Ariba, SAP Hybris, SAP FieldGlass, SAP Concur, and more.

**Job Description:**

We are seeking a highly skilled and experienced Syniti ADMM (SAP) Technical Developer to join our dynamic team. As a key member of our SAP implementation and data migration efforts, you will play a crucial role in ensuring the seamless transfer of data and contribute to the success of our projects. If you possess the required skills and have a passion for SAP data migration, we want to hear from you.

**Key Requirements:**

Demonstrated expertise in Syniti ADMM, showcasing your ability to utilize its features effectively.

Proficient in developing and implementing technical solutions within the Syniti ADMM framework.

Proven track record of successful SAP data migration projects.

In-depth understanding of best practices and methodologies in SAP data migration.

Hands-on experience with LTMC, displaying proficiency in data transfer and migration processes.

Strong SQL skills, including the ability to write complex queries and optimize performance.

Knowledge and experience in H2R (Hire to Retire) SAP functional processes would be advantageous.

Familiarity with SAP cloud solutions and the ability to leverage cloud features for optimal performance.

Experience with SAP in a public cloud environment, showcasing your adaptability to evolving technologies.

Ability to collaborate with SAP functional teams to ensure a holistic approach to project implementation.

Bachelor's degree in Computer Science, Information Technology, or a related field.

Excellent problem-solving and analytical skills.

Strong communication skills and the ability to work collaboratively in a team-oriented environment.

### **Benefits of working at Accenture:**

- Holistic well-being program including health insurance
- Life & Salary Continuance Insurance
- 18 weeks paid parental leave
- Long & short-term career break opportunities
- Structured career development program
- Local and international career opportunities.
- Certified as a Family Inclusive Workplace™
- Flexible Work Arrangements - centered around Accenture's Truly Human ethos and our commitment to supporting the health and wellbeing of our people.
- We are proud to be in the top 3 of last year's Diversity & Inclusion Index!

*All our consulting professionals receive comprehensive training covering business acumen, technical and professional skills development. You'll also have opportunities to hone your functional skills and expertise in an area of specialization. We offer a variety of formal and informal training programs at every level to help you acquire and build specialized skills faster. Learning takes place both on the job and through formal training conducted online, in the classroom, or in collaboration with teammates. The sheer variety of work we do, and the experience it offers, provide an unbeatable platform from which to build a career.*

*Accenture is an EEO and Affirmative Action Employer of Females/Minorities/Veterans/Individuals with Disabilities.*

### **Equal Employment Opportunity**

*All employment decisions shall be made without regard to age, race, creed, colour, religion, sex, national origin, ancestry, disability status, veteran status, sexual orientation, gender identity or expression, genetic information, marital status, citizenship status or any other basis as protected by federal, state, or local law.*

#LM\_GM

### **Equal Employment Opportunity Statement for Australia:**

At Accenture, we recognize that our people are multi-dimensional, and we create a work environment where all people feel like they can bring their authentic selves to work,

every day.

Our unwavering commitment to inclusion and diversity unleashes innovation and creates a culture where everyone feels they have equal opportunity. Our range of progressive policies support flexibility in 'where', 'when' and 'how' our people work to ensure that Accenture is an organisation where you can strive for more, achieve great things and maintain the balance and wellbeing you need.

We encourage applications from all people, and we are committed to removing barriers to the recruitment process and employee lifecycle. All employment decisions shall be made without regard to age, disability status, ethnicity, gender, gender identity or expression, religion or sexual orientation and we do not tolerate discrimination. If you require adjustments to the recruitment process or have a preferred communication method, please email [exectalent@accenture.com](mailto:exectalent@accenture.com) and cite the relevant Job Number, or contact us on +61 2 9005 5000.

To ensure our workplace is inclusive and diverse we are setting bold goals and taking comprehensive action. To achieve these goals, we collect information that allows us to track the effectiveness of our Inclusion and Diversity programs. Learn how Accenture protects your personal data and know your rights in relation to your personal data. Read more about our Privacy Statement.
