Company: Talent International

Location: Australia

Category: architecture-and-engineering

Seeking experienced SAP Test Analysts

12 month contract

Canberra location

Must be able to provide proof of Aus citizenship

Our Client

Our client is highly respected organisation, who provides services and supports to thousands of individuals around Australia. With multiple locations around Canberra, this vital Government organisation seeks only the most skilled and professional individuals to assist them in developing programs, policies, and initiatives that will improve the quality of life for Australia's most vulnerable.

The Role

Our client is seeking an SAP Test Analyst to ensure the quality and reliability of SAP software implementations. The successful candidate will be responsible for designing, executing, and documenting tests to validate SAP systems and configurations.

Key responsibilities will include:

Develop and execute test plans, test cases, and test scripts for SAP application.

Liaise with Service Australia for all upcoming SAP releases and testing requirements.

Conduct functional, integration, and regression testing of SAP modules.

Collaborate with project teams to identify and prioritise testing requirements.

Skills and Experience

3 to 5 years of experience in SAP testing or related field.

Strong knowledge of SAP applications, modules, and business processes.

Proficiency in testing tools and methodologies, such as Jira Xray, SAP Solution Manager, and Agile/Scrum.

SAP certification. (Desirable)

Bachelor's degree in computer science, Information Technology, or related field.
(Desirable)

To apply for this opportunity, please click 'APPLY'. For further information, please contact the team at 02 6285 3500
