Company: Department Of The Premier And Cabinet

Location: South Australia

Category: other-general

Coach a high-performing and passionate digital product team Be part of a team with a reputation for successful delivery Role Details Are you a seasoned leader with a passion for guiding high-performing teams towards success? Do you excel in leveraging facilitation skills to drive impactful decision-making processes? If so, we invite you to join our dynamic digital product development team as a Scrum are looking for an experienced Scrum Master to lead and mentor our team leveraging agile methodologies, fostering a culture of collaboration, innovation, and continuous improvement. Utilising your expertise in the facilitation of decision-making processes that drive meaningful outcomes, you will ensure our team delivers products of the highest quality and value. While managing the progress and performance of our multi-disciplinary teams you will identify opportunities to recommend and implement systematic improvements. You will also support the successful delivery of digital products into the South Australian community through the facilitation of agile ceremonies that include the demonstration of products to a wide variety of outcomes of the role: 1. Determine, plan and manage tasks, issues, risks and action items, including goals and priorities, to ensure the delivery of significant digital products to meet agreed performance objectives. 2. Deliver and lead scrum events and meetings, including facilitating and implementing robust and disciplined decision-making processes. 3. Manage progress and performance of scrum teams and recommend and deliver systematic improvements, with a focus on value creation. This includes ensuring the proper use of collaborative processes and removing impediments for scrum teams. 4. Establish and foster strategic partnerships, encouraging a culture of collaboration and delivering expert

consultancy for the effective delivery of a range of significant digital products. 5. Lead, plan and manage the delivery of demonstrations and product/system testing of digital solutions. 6. Provide consultancy services and expert advice into the development of models of business processes and influence planning and change management processes within government to ensure strategies are implemented in accordance with the government's strategic intentions. 7. Lead and manage the establishment of comprehensive consultative processes with key stakeholders and foster collaboration to develop strategic directions consistent with the government's approach to whole of government initiatives. 8. Lead, guide and mentor multi-disciplinary teams, model service excellence and champion continuous learning to build team capacity and capability and the continuous improvement in product and service delivery. 9. Plan for and facilitate workshops with senior representatives across government to elicit feedback, drive creative ideas and solve complex business and technical problems.

**Special Conditions** The Incumbent will be required to participate in the department's Performance Management Program. The Incumbent may be assigned to another position at this remuneration level or equivalent. Some work outside of normal hours will be required. This role requires a National Criminal History check. Working within a confidential, commercially oriented and at times, politically sensitive environment.

**Essential Qualifications** Recognised Scrum Master qualification

For more information please see the role description: The Department of the Premier and Cabinet (DPC) drives the Premier's priorities in South Australia. Our vision is to be the heart of government through providing important leadership, trusted advice and strategy as well as central support services for the social, environmental and economic issues that we face. Our staff enjoy working with colleagues who value integrity, knowledge and intellectual capability. They exemplify the public sector purpose: Making a difference so South Australia thrives.

About the Business Digital Programs is responsible for leading a significant transformation program to reinvent the way we deliver digital services to South Australians to make it easier to do business with government.

Contact Us Enquiries to Alice Zeuner - Executive and Business Support Officer

The Department of the Premier and Cabinet is committed to creating an inclusive and diverse workplace that is reflective of the community we serve. We welcome and value applications from candidates who are of Aboriginal and Torres Strait Islander descent, candidates with culturally diverse backgrounds, candidates with disability and those from the LGBTIQ+ community. We are committed to making reasonable adjustments to ensure a safe and healthy working environment. If you require any additional support, please provide us

with details through the application process. The South Australian public sector promotes diversity and flexible ways of working including part-time. Applicants are encouraged to discuss the flexible working arrangements for this role. #J-18808-Ljbfrr
