Senior Accountant/Client Manager

[Apply Now](#)

Company: Lawson Elliott

Location: North Shore

Category: business-and-financial-operations

\$100k - \$125k + Super

North Sydney location (just a few minutes from the station) and with 2 days WFH

Modern firm, strong processes and systems, and great staff tenure

I am currently recruiting for a dynamic boutique firm located in the heart of North Sydney. They provide a comprehensive range of services to cover the entirety of a clients financial and wealth needs. This includes tax, accounting, advisory, SMSF, and financial planning. As a business they believe in employing the latest technology and tools to help drive efficiencies and maintain a competitive edge. They have established a team of offshore staff in the Philippines, who handle the administration and compliance work. Allowing the team here in Sydney to focus on review and relationship management.

Inside the office you will find a stable and passionate team. The average tenure of staff is a minimum of 5 years. It's a great testament to the flexible, supportive, and professional environment on offer.

Key perks include competitive salary packaging + incentives, ongoing training and personal development programs, modern offices environment, excellent work/life balance (and an understanding that there's more to life than work), a hybrid working model, established and organised processes and systems, and the opportunity to learn and develop with more advisory work.

Key duties of the role include:

Provide high quality compliance and advisory services to clients to a portfolio of clients

Support the firm's Directors and Senior Managers in the preparation of advisory work.

Nurture, train, and develop junior staff members

Liaising with clients, responding to their queries and further nurturing relationships

Dealing with regulatory bodies such as the ATO & ASIC in respect to client matters

The ideal candidate will possess:

CA or CPA qualified

4+ years experience in public practice accounting

Experience working with a wide variety of clients and group structures

Great attention to detail and strong technical skills

A willingness to learn and share knowledge

If you are interested in this role please email your resume
