Position Summary

Austin Health is the major provider of tertiary health services, health professional education and research across 3 campuses in the northeast of Melbourne and state-wide. We have an exciting opportunity currently exists for a dedicated senior mental health clinician to join our **Adolescent Inpatient Unit** working as a case manager.

This is full time permanent position working business hours with monthly ADOs.

The Adolescent Inpatient Unit at Austin Health is a small inpatient unit that works closely with young people and their carers to achieve positive outcomes in all areas of functioning. We have 11 beds, and are based at the Austin Hospital in Heidelberg. Adolescents who have turned 13 (but are not yet 18 years of age) are admitted for mental health assessment and treatment when their presentation presents high levels of risk, or when a more specialised service is required for assessment and treatment. These young people may be experiencing significant acute and complex emotional, behavioural and/or social difficulties and have usually had some outpatient treatment. The team is also supported by Austin School teaching staff who work to keep young people connected to their home schools or to help them reconnect to appropriate education pathways.

Feedback from our families:

“Thank you for the time you so generously gave to understand our teenager’s condition and circumstances surrounding this. Thank you for the life-saving support and care you all have provided. Thank you!!”

“To the team- your caring, non-judgemental approach is exactly what is needed. Thank you for

catching our teenager in their time of need!”

On the adolescent unit particularly we offer:

A dynamic and highly skilled multidisciplinary team

Regular individual and group supervision

Collegiate and supportive team culture

Opportunity to learn and connect with highly specialist CYMHS clinicians across a wide variety of specialist roles

Capacity to make real and lasting change in the lives of young people and their families

Work with us! Your reward is to work in a collaborative environment which will provide you with opportunities for ongoing training and development. Your benefits will include high quality supervision (clinical, operational and professional), salary packaging, and a wide ranging employee assistance program. See this link for further details of the benefits Austin offers their staff: <https://www.austin.org.au/careers/benefits/>

To apply for this role you must demonstrate how your experience meets the key selection criteria which are listed in the position description.

Inclusion at Austin Health

We celebrate, value and include people of all backgrounds, genders, identities, cultures, bodies and abilities. We welcome and support applications from anyone identifying as Aboriginal and/or Torres Strait Islander, physically or culturally diverse, LGBTQIA+, and people of any age.

Work with us!

If you feel this role is right for you, we encourage your early application. Applications will be reviewed as they are received, and interviews may take place prior to the closing date. This means we reserve the right to close a job ad prior to the advertised closing date. All appointments are made subject to a satisfactory National Police Check and if required, a Working With Children Check. If you require any reasonable adjustments to the recruitment process, you are welcome to reach out to the hiring manager.
