Excellent career development opportunities

Senior Recruitment Consultant

Join an established, ambitious market leader

Grow and manage your own division

Excellent career development opportunities

With a year track record, McArthur is one of Australia's most successful and respected recruitment specialists. We employ over dedicated professionals across 5 state offices and recognised as among the very best in all the sectors we operate in.

McArthur were the pioneers of specialist recruitment for the ECE sector years ago, introducing many initiatives and ideas that have since become industry standards. Today, our ECE teams across Australia deliver over 9, temp hours per week, and work with active clients who have direct access to over 8, experienced, qualified and job-ready candidates.

We are now looking for the calibre of high performing, focused professional who can lead and inspire the growth of our Brisbane-based ECE division.

You will already have proven yourself as a high performing individual, preferably within the Early Childhood sector, where your exceptional consultative skills, Business Development and uncompromised client focus were major contributors to your success.

Specific ECE recruitment experience would obviously be a distinct advantage, but we are also keen to talk to experienced ECE professionals considering a career change, or recruitment high achievers ready for the challenge, opportunities and rewards only the ECE sector can offer.

You will have the substantial resources and support of a national network and local management behind you, and all the systems, technology, marketing and administration support so you can focus on what you do best - growing business, engaging with clients and developing great candidate networks. An attractive salary package, realistic incentive targets and unlimited training and development opportunities make this one of the most attractive opportunities currently in the Brisbane recruitment market.
