Job posted: 26/03/2024

Closes: 11/04/2024

Occupation: Economics

Classification: VPSG5

Job duration: Not provided

Reference: VG/100962

Occupation: Economics

Salary Range: \$106,534 - \$128,897

The Department of Jobs, Skills, Industry and Regions is focused on growing Victoria's prosperity, building the productive capacity of our economy and increasing participation – by creating more opportunities for people through skills and jobs; helping businesses and industries to thrive; and building vibrant communities and regions. For more information, see the DJSIR Strategic Plan 2023-2027

Established on 1 January 2023, our work spans numerous portfolios, supporting departmental ministers and operating across metropolitan, regional and international offices. We oversee various public entities, including public corporations, regulatory authorities and specialist boards.

The Department strongly encourages applications from Aboriginal and Torres Strait Islander people and offers reasonable adjustments for applicants with disabilities.

Our values are accountability, integrity and respect, and underpin everything we do.

Senior Economic Analyst, Provisioning Salary: \$106,534 to \$128,897 (Plus

Superannuation) Ongoing role Usual hours of work: Full time (flexibility may be available)

Usual work location: Melbourne CBD (flexibility may be available) The Team The position of

Senior Economic Analyst forms a part of the Policy and Strategy branch (PSB), within the

Skills and Employment (SE) group. PSB leads the policy settings, performance monitoring

and budget management for the Victorian Vocational Education and Training (VET)

system. PSB partners across jurisdictions to influence strong skills outcomes through a

contemporary national VET system. The branch influences and collaborates in policy

design across the Department portfolios to achieve goals for all learners including cohorts of

focus, using different system levers. PSB engages across the whole government to lead

policy coordination for SE and contributes to strategic projects of SE priority.?

The Role Reporting to The Manager, Provisioning, the Senior Economic Analyst will have a

key role contributing to the enhanced microeconomic analysis, encompassing enhanced

planning, engagement, and training market intervention. This role contributes to the

development and implementation of a detailed place-based approach to the allocation of

training places across Victoria's regions, TAFEs and other training providers. The position

provides the key means through which the Government's TAFE funding guarantee is

delivered. This role ensures the timely administration, implementation, and management of

analytics and reporting to inform senior leadership on complex training needs and VET system settings.?

The key accountabilities of the role will include:

Undertake microeconomic and data analysis and develop and implement place-based

allocations approaches for government subsidised training in Victoria Utilise a sophisticated

understanding of microeconomics concepts and of the Victorian training system to extract and

present relevant data/information Use tools such as databases, Python, R, excel/data cubes

and pivot tables to extract, analyse and report appropriately Lead coordination and

development in relation to specific areas or projects, ensuring alignment with organisational

goals. Respond to feedback and adapt recommendations in accordance with policy

requirements and evolving circumstances, maintaining flexibility and responsiveness. About

You To be eligible for this position you must hold the mandatory qualification as outlined in the

position description.

Further Information For a confidential discussion, please contact Nick MacArthur, A/Director VET Policy via email -

The department is committed to creating and maintaining a child safe organisation. We have zero tolerance of child abuse and are committed to taking the necessary steps to protect children from harm by adopting a preventative, proactive and participatory approach to child safety in accordance with the Child Safe Standards.

Successful candidates will be required to undergo a National Police Records Check prior to commencing employment with the Department. For further information on the position, please refer to the attached position description.

Please note: We are accredited as a Disability Confident Recruitment (DCR) organisation and committed to inclusive recruitment. If you require an adjustment to participate in any stage of the recruitment process or have a particular requirement to be communicated with by either telephone or email only, please notify the DJSIR Recruitment Team at [redacted] with the position number in the subject line.

How to Apply Please click the 'Apply Now' button. As part of the application process, you will need to provide a copy of your resume and responses to the key selection criteria listed in the position description. Applications close at midnight on 11 April 2024. To apply for this role, you will be redirected to the Department of Jobs, Skills, Industry and Regions job application system.
