

Senior Engineering Coordinator

[Apply Now](#)

Company: McConnell Dowell

Location: South Australia

Category: other-general

Great. Check out our many opportunities below. McConnell Dowell Group will never ask you to provide payment for participating in a recruitment process. If you receive a job offer to join us and it is NOT on an email ending in @mcdgroup.com, @builtenvirons.com.au, or @builtenvirons.co.nz; and you have NOT had an interview with our Human Resources team, then please disregard it. It is a scam . Senior Engineering Coordinator Permanent / Full Time 22/3/2024 Competitive remuneration package including annual bonus and parking! Enjoy flexible work conditions Excellent team culture where great work is recognised About the role Join McConnell Dowell Constructors in their joint venture with Diona (MDJV) and contribute to our successful partnership with SA Water in delivering some of Australia's most important water infrastructure projects. The successful person will: Support the engineering management process during consultancy design phase and project development through to project completion. Interface between construction and design personnel, understanding client expectations and consultant design deliverables, focused on timeframe and budget restrictions. Improvement of design methodology and documentation to ensure project risks are mitigated and project opportunity is highlighted to the project team. Contribute to investigation to attain cost effective design (value added) solutions whilst ensuring innovation and constructability is implemented. Manage design of effective temporary work solutions. About you With a strong work ethic and communication skills, the successful person for this role will have the following: Relevant tertiary qualifications (Civil Engineering or Technical). Extensive experience in civil engineering or infrastructure construction projects with exposure to design, costing and planning. Be self-motivated and capable of working with minimal

supervision. Competent understanding of Australian Standards. Strong oral and written presentation linked with sound relationship and integrity record. High computer skills. Don't tick all the boxes but you're still excited about this opportunity? We're dedicated to building a diverse workplace, so we also look at applicants with great transferable skills from similar industries. If that's you, we encourage you to still apply as you may just be the right candidate for this role or one of our other opportunities. About Us McConnell Dowell – Creative Construction Our purpose is Providing a Better Life. We do that through delivering projects that connect, support and sustain communities, and through providing career opportunities that challenge, reward and grow our people. From remote major resources and energy projects to city-shaping transport and water infrastructure, we have constructed thousands of high-quality, complex projects for our customers and communities over more than 60 years, in Australia, New Zealand, the Pacific Islands and Southeast Asia. Why join us? The work you'll do will have a tangible positive impact on people's lives, including yours. The diversity of our projects, roles and locations means greater development opportunities. We invest in our people to set and reach personal and professional goals and we have some of the best mentoring minds in the business to help you do that. Because when you grow, we all grow. McConnell Dowell actively seeks and celebrates diversity, inclusion, and individuality. In a culture low on ego and high on support, we encourage everyone to make an impact. We're big enough to take on community-shaping projects, but small enough for you to have an influence on how we do things. So, join us, be you, and help us create better together . Apply now! We are an equal opportunity employer. People of all backgrounds and experiences are encouraged to apply. Please note all successful applicants must hold valid work rights for Australia and pass a satisfactory pre-employment medical which includes drug and alcohol checks and COVID vaccination status. This role is being sourced through McConnell Dowell directly and not accepting applications via external recruitment agencies. #J-18808-Ljbffr
