Supervising and completing audit assignments for a subsequent manager or Partner to review.

Be the primary point of contact.

Be responsible for the control of the audit fieldwork.

Provide direction and guidance to junior staff on assignment.

Completion of audit in line with time and budgetary requirements.

Assist the manager or partner in the performance of special assignments and reports as and when required.

Skills and Experience:

Minimum of 3 years audit experience in a similar role (preferably Big 4 or mid-tier audit firm).

CA qualified or equivalent (i.e. ACCA, CPA).

An ability to work autonomously with high levels of organisation and attention to detail.

Demonstrate initiative and sound judgement to ensure the smooth running of the audit.

Have excellent written and verbal communication skills.

Able to build relationships internally and with clients.

In-depth understanding of auditing and control practices.

Experience in managing and reviewing the work of a small engagement team.

Working knowledge and application of the International Financial Reporting Standards (IFRS) and other applicable legislation.

Experience with Caseware preferred.

What We Offer:

Attractive salary package.

Study support.

Regular and ongoing training/support.

Mentoring from Partners/senior staff.

Exposure to a wide range of work (corporate, personal, informal/advisory).

Career progression opportunities.

Bi-Annual remuneration review.
