Company: Cdc Data Centres

Location: Australia

Category: other-general

About us: Established in 2007, CDC Data Centres is Australia's leading operator of sovereign, secure, world-class data centre facilities. Headquartered in Canberra with multiple facilities in the ACT, NSW, VIC and New Zealand, CDC's diversified operations provide secure data centre configurations that support co-location, containerised and hyperscale compute environments with all campuses interconnected with high-speed carrier grade networks. At CDC we are passionate about creating an inclusive workplace that promotes and values diversity. We believe that everyone's unique experiences enable us to deliver meaningful benefits for our people, our clients and communities. Our mission is to attract, retain and grow the world's best data centre team. Our people are committed, tenacious and meticulous in supporting our customers. Together, we configure the landscape to meet the security, reliability, connectivity and sustainability needs for today and tomorrow. About the role: The Senior Financial Accountant position manages the day-to-day financial operations of the organisation, ensuring that it runs effectively and efficiently. This is a hands-on role, that involves managing financial systems, processes, administration, and internal controls to support the organisation's strategy. This role will see you maintain effective financial management and cultivate relationships with stakeholders, while also supporting project teams in implementing efficient financial practices. Other responsibilities include: Prepare various financial reports including monthly, quarterly, and annual reports, as well as management reports Generate ad-hoc corporate and management reports for shareholders, parent entities, and the board Complete ABS quarterly reports and month-end journals, including intercompany transactions and accruals Conduct balance sheet reconciliations

and manage sub-ledgers and the general ledger Ensure adherence to financial controls, accounting standards, and policies, assisting in maintaining system integrity and compliance Collaborate with the Group Treasurer to accurately record bank debt, interest rate swaps, intercompany loans, and other transactions, implement and review internal controls, and support external audit processes when necessary. About you: This role would be suitable for a CA/CPA qualified candidate with sound commercial experience within a large Chartered and diverse corporate environment, ideally with Big 4 Audit or Business Service Experience. Proven experience in leading complex reporting processes for for-profit businesses, delivering results to multiple stakeholders within tight timeframes. Demonstrated ability at meeting clear deadlines and with exceptional organisational and planning skills. Advanced Excel skills with having skills in BDA and PowerBI advantageous. Essential: Australian Citizenship with ability to obtain and maintain a NV1 Security Clearance. How to Apply: If you are looking for an opportunity to play a vital role in a fast-growing Australian Technology company and be part of our amazing team, please submit your resume and cover letter by clicking Apply. We are committed to fostering a diverse and inclusive workplace where all individuals are valued and respected. We believe that diversity of backgrounds, perspectives, and experiences leads to innovation and success. We actively promote equality and strive to create a welcoming environment for all employees. We are dedicated to building a team that reflects the diversity of our community and encourages everyone to bring their authentic selves to work.
