Exciting opportunity within a Federal Government Department

Long term contract – multiple locations + hybrid

Rewarding Hourly Rate \$\$\$

One of Australia's leading Federal Government departments are looking to engage an experienced **Senior Fusion Middleware Developer** to look after the design and development of high quality solutions and support technical requirements. You will also exercise a considerable degree of independence and undertake a technical leadership role. The role can be based from either **Canberra, Sydney, Melbourne or Brisbane as well as remote work as flexible working arrangements are available**. The successful **Senior Fusion Middleware Developer** will be offered **12 month contract with 2 X 12 month extension options**.

The successful **Senior Fusion Middleware Developer** will be responsible for, but not limited to:

Performing and managing analysis, design, development and prototyping

Undertaking technical design and development of custom solutions and migration solutions

Managing the release and go live production support for the team's developments

Ensuring compliance with endorsed software development methodologies

The successful **Senior Fusion Middleware Developer** will have experience in the following:

Extensive experience with Oracle Fusion Middleware

Knowledge and experience with Oracle Policy Automation/Intelligent Advisor

Ability to lead and manage the operations of a team including overseeing work priorities and resource management

Good communication skills and ability to review a range of written material including technical and corporate documentation

This is a great opportunity with a leading **Federal Government Agency** to join an established and friendly team! The successful **Senior Fusion Middleware Developer** will be offered a **12 month contract with 2 X 12 month extensions** with a highly skilled Team! If you have the required skills and experience, **APPLY NOW**. Please forward your application to jobs@hitechaust.com quoting reference number **DS0133** for more exciting job opportunities go to www.hitechaust.com
