

Senior Lecturer (Business Analytics)

[Apply Now](#)

Company: The University Of Western Australia

Location: Perth

Category: other-general

Reporting to the Head of School, you will make outstanding contributions to teaching, research and service within the School, in accordance with university rules, the code of conduct and the universities education and academic mission. About you To be considered for these opportunities, you will: Hold a relevant qualification in Analytics/Data Sciences. Demonstrate academic experience in a relevant field (data analytics, information systems, programming, management science). Demonstrate a strong research track record displaying ability to undertake research and publish in high-quality international peer-reviewed journals. Demonstrate a successful record of obtaining research funding. Show evidence of direct supervision/co-supervision of honours and HDR research students. Provide evidence of commitment to high-quality teaching. Demonstration of developments of curriculum and initiatives in effective learning are highly valued. Demonstrate experience in service activities such as school policy development and other administrative matters. Demonstrate or show a commitment to engagement with the research community, professional bodies and relevant industry bodies. Demonstrate experience in working collaboratively with others, especially in multi-disciplinary teams.
