Find out more [New Search](#) [Applicant login](#) [Agency login](#) [Subscribe to Job Alerts](#) Location Job category and level [Back to job search](#) Senior Manager | Regulatory Risk Sydney [Apply now](#) [Refer someone](#) Join our global Regulatory Operations team as a leader who creates business solutions that uplift Macquarie's risk management capabilities. Our team has oversight of transaction reporting to the APAC and Americas regimes and manage Macquarie's regulatory risk through identification of transaction reporting exceptions, performing analysis to determine root cause and resolution through collaboration with stakeholders. At Macquarie, we are working to create lasting value for our communities, our clients and our people. We are a global financial services group operating in 34 markets and with 54 years of unbroken profitability. You'll be part of a supportive team where everyone - no matter what role - contributes ideas and drive outcomes. What role will you play? You will be responsible for the oversight and smooth running of the team and review and approve their investigations and remediation, alongside the development of KPIs and KRIs and driving further improvements. As a leader you will ensure team adherence to internal and regulatory escalation and reporting policies, lead responses to ad-hoc compliance and business queries, incidents management investigations, coordinate and oversee upcoming project control testing and assess new product requests from a transaction reporting lens. What you offer 5+ years experience working in an operations, risk or similar regulatory/ OTC derivatives position within Financial Services Strong people and/or stakeholder management skills Ability to leverage data to provide insights and improvements A flexible, proactive, solution-oriented

approach and excellent communication and interpersonal skills. We love hearing from anyone inspired to build a better future with us, if you're excited about the role or working at Macquarie we encourage you to apply.

Benefits Macquarie employees can access a wide range of benefits which, depending on eligibility criteria and location, include: Hybrid and flexible working arrangements Wellbeing and service bonus leave Up to 20 weeks paid parental leave as well as benefits to support you as you transition to life as a working parent Paid volunteer leave and donation matching Range of benefits to support your physical, psychological and financial wellbeing

About the Corporate Operations Group In our Corporate Operations Group, you will work at the heart of Macquarie. Join a collaborative team who accelerate digitalisation, sustainability and social impact for the benefit of our people, customers, shareholders and communities. Our teams include technology, digital transformation and data, operations, human resources, business services, corporate strategy and solutions and the Macquarie Group Foundation. Our commitment to Diversity, Equity and Inclusion We are committed to providing a working environment that embraces diversity, equity, and inclusion. We encourage people from all backgrounds to apply for a role regardless of their identity, including gender, race, ethnicity, cultural identity, nationality, age, sexual orientation, gender identity, intersex status, marital or family status, neurodiversity, religion or belief, disabilities, or socio-economic background. If you require adjustments to your working arrangements or the recruitment process, please let us know when applying.

Apply now Refer someone **About Macquarie** A career at Macquarie means you'll have the opportunity to develop new skills, explore interesting fields and do challenging work that will impact the lives of people around the world—whether it's accelerating the green energy transition, helping sustain global food supplies, financing social housing projects or investing in essential infrastructure. At Macquarie, we're empowering people to innovate and invest for a better future.

Macquarie is a global financial group providing clients with asset management, retail and business banking, wealth management, leasing and asset financing, market access, commodity trading, renewables development, specialist advisory, capital raising and principal investment.
