

Senior Pega Software Engineer

[Apply Now](#)

Company: Macquarie

Location: Sydney

Category: computer-and-mathematical

Our team is transforming Business Banking with a focus on originating loans and deposits for our clients. Working on the latest technology stacks to provide a single platform that has all the client relationships and deal information.

At Macquarie, we are working to create lasting value for our communities, our clients and our people. We are a global financial services group operating in 34 markets and with 54 years of unbroken profitability. You'll be part of a supportive team where everyone - no matter what role - contributes ideas and drive outcomes.

What role will you play?

As a Senior Pega Engineer you will design, develop and implement Pega solutions based on business requirements for Case Management and Credit Decisioning. You will help lead Pega application engineering work, provide technical expertise and guidance and collaborate with the team on creating stories' acceptance criteria, identifying areas of potential risk and ensuring the focus is on business objectives and delivering value. You will also be involved in conducting system architecture design, ensuring scalability, reliability, and maintainability.

What you offer

7+ years of proven experience as a Pega developer with a focus on system architecture

Bachelor's degree in computer science or related field

Minimum Pega Senior System Architect certification (CSSA)

Great Knowledge Integration technologies such as REST, SOAP, Apigee and Event and

message-orientated platforms (e.g. Solace, Kafka, Google PubSub)

Ability to create high level/detailed design and implementation plans based on business requirements.

We love hearing from anyone inspired to build a better future with us, if you're excited about the role or working at Macquarie we encourage you to apply.

Benefits

Macquarie employees can access a wide range of benefits which, depending on eligibility criteria and location, include:

Hybrid and flexible working arrangements

Wellbeing and service bonus leave

Up to 20 weeks paid parental leave as well as benefits to support you as you transition to life as a working parent

Paid volunteer leave and donation matching

Range of benefits to support your physical, psychological and financial wellbeing

About the Corporate Operations Group

In our Corporate Operations Group, you will work at the heart of Macquarie. Join a collaborative team who accelerate digitalisation, sustainability and social impact for the benefit of our people, customers, shareholders and communities. Our teams include technology, digital transformation and data, operations, human resources, business services, corporate strategy and solutions and the Macquarie Group Foundation.

Our commitment to Diversity, Equity and Inclusion

We are committed to providing a working environment that embraces diversity, equity, and inclusion. We encourage people from all backgrounds to apply for a role regardless of their identity, including gender, race, ethnicity, cultural identity, nationality, age, sexual orientation, gender identity, intersex status, marital or family status, neurodiversity, religion or belief, disabilities, or socio-economic background.

If you require adjustments to your working arrangements or the recruitment process, please let us know when applying.
