Senior / Principal Pavement Engineer - (177546) Description About Us At HDR, we specialise in engineering, architecture, environmental and construction services. While we are most well-known for adding beauty and structure to communities through high-performance buildings and smart infrastructure, we provide much more than that. We create an unshakable foundation for progress because our multidisciplinary teams also include scientists, economists, builders, analysts and artists. HDR supports an inclusive and diverse work environment and is an equal opportunity employer. We encourage Aboriginal and Torres Strait Islander Australians and people of culturally diverse backgrounds to apply. We believe that the way we work can add meaning and value to the world. That ideas inspire positive change. That coloring outside the lines can illuminate fresh perspectives. And that small details yield important realizations. Above all, we believe that collaboration is the best way forward.

Primary Responsibilities In the role of a Senior / Principal Pavement Engineer, we'll count on you to: Assist in shaping the future of the pavements team as HDR continues to grow across Australia Provide active leadership of safety and wellbeing along with other staff. Liaise with industry and contractor partners to assist them with strategy and direction in asphalt and pavement engineering, technology and design. Use your industry network to develop opportunities for growth of the pavements team interstate and across sectors. Play a lead role in the pavement team to deliver sound, leading-edge, pavement solutions for our clients.

Oversee and undertake technical support activities on pavement projects. Conduct technical reviews & verification of projects and contracts. Undertake site inspection of pavements on civil project works. Managing the ongoing delivery of pavement projects with

our clients both within Australia and globally within the broader HDR network. Preparation and/or review of fee estimates, methodologies and schedules to ensure projects are undertaken and completed profitably and with appropriate technical content and timeliness. Perform other duties as needed. This position is available to join our team based in either Brisbane or Melbourne

#LI-CG3 Qualifications & Experience Relevant tertiary qualification Preferably post-graduate qualification in Civil/Pavement engineering. Registered Professional Engineer Queensland (RPEQ) OR Registered Professional Engineer Victoria (RPEV) or ability to obtain. Eligible for Chartered membership of Engineers Australia. Demonstrated professional engineering experience predominantly in the pavement engineering field including associated civil engineering projects. Extensive experience in using pavement related software such as CIRCLY. Good interpersonal, oral and written communication skills to work effectively within a culturally diverse teams and multi-disciplinary environment. Courteous and business orientated manner when communicating with stakeholders to foster and promote good working relations. Strong attention to detail with an ability to work under pressure Understanding of quality management systems and the importance of those in an engineering consultancy Desire to actively participate in the development and application of business operations and strategy

Benefits and Culture Broad-based Employee Shares Program Global organisation with opportunities for international travel and collaboration Financial advice and wellbeing programs HDR University learning platform with access to webinars, LinkedIn Learning, and the Pinnacle Series Rewards program including referrals, long service awards, and certification bonuses Company paid Annual Professional Membership Fees Company paid Parental Leave for primary and secondary caregivers (with Super) Employee Assistance Program A culture that supports and encourages inclusion and diversity where each of us are welcomed, valued, respected, and empowered to bring our authentic selves to work every day

Why HDR At HDR, we know work isn't only about who you work for it's also about what you do and how you do it. Led by the strength of our values and a culture shaped by employee ownership, we network with each other, build on each other's contributions, and collaborate together to make great things possible. When you join HDR, we give you licence to do the same. We help you take charge of your career, giving you multiple growth opportunities along the way.
