Company: AECOM

Location: Sydney

Category: Other-General

****Company Description****At AECOM, we're delivering a better world.**We believe infrastructure creates opportunity for everyone.

Whether it's improving your commute, keeping the lights on, providing access to clean water or transforming skylines, our work helps people and communities thrive. Our clients trust us to bring together the best people, ideas, technical expertise and digital solutions to our work in transportation, buildings, water, the environment and new energy.

We're one global team – 47,000 strong – driven by a common purpose to deliver a better world. **Here, you will have freedom to grow in a world of opportunity.

** We will give you the flexibility you need to do your best work with hybrid work options. Whether you're working from an AECOM office, remote location or at a client site, you will be working in a dynamic environment where your integrity, entrepreneurial spirit and pioneering mindset are championed.

You will help us foster a culture of equity, diversity and inclusion – a safe and respectful workplace, where we invite everyone to bring their whole selves to work using their unique talents, backgrounds and expertise to create transformational outcomes for our clients. We will encourage you to grow and develop your career with us through our technical and professional development programs and diverse career opportunities.

We believe in leadership at all levels. No matter where you sit in the organization you can make a lasting impact on the projects you work on, the teams and committees you join and our business.

We offer competitive pay and benefits, well-being programs to support you and your family, and the development resources you need to advance your career. When you join us, you will connect and collaborate with a global network of experts – planners, designers, engineers, scientists, consultants, program and construction managers – leading the change toward a more sustainable and equitable future.

Join us and let's get started.**Job Description** The infrastructure pipeline in NSW continues to grow, and AECOM is playing an influential role in the development and delivery of many of the key infrastructure programs and projects.

As a result, AECOM is seeking applications from experienced Rail Engineers to join our growing Rail team in Sydney and support existing projects and pursue the exciting opportunities ahead. This is a fantastic opportunity to work in a dynamic, consulting environment on some of the region's largest projects, whilst expanding and developing your career within the Rail Infrastructure space.

You will have access to projects involving feasibility studies, tender designs, detailed design and construction support on complex, multidisciplinary projects that deliver high standard outcomes for AECOM and its clients. As part of a multi-disciplinary organisation, this role will see you collaborating with other disciplines associated with delivery of railway projects, giving you wider exposure and understanding.

Job Summary and Key Duties We are seeking qualified Professional and Senior Rail Engineers to join the Sydney Rail Team. Reporting to the Track and Civil Lead, you will be responsible for developing track and civil design solutions on some of Australia's largest engineering projects.

Key Duties Will Include: + Working with project teams, clients, and stakeholders to identify

requirements and develop sound engineering solutions;+ Produce high quality track and civil designs from proposals through concept design to construction; + Working with other rail and civil disciplines to deliver multidiscipline projects;+ Self-checking of your own work as well as your colleague's work before issuing to our clients;+ Demonstrate strong client management skills; + Deliver to clients and AECOMs expectations of quality, time, and cost.

****Qualifications**** + Experience in delivering rail design in multi-disciplinary environments;+ Ability to build, maintain and manage strong client relationships and have worked closely with discipline technical leads;+ Develop and retain a high level of technical skill; + Provide high quality technical advice to clients and ensures that the needs of clients are understood and met; + Engineering degree and qualifications in one of the railway engineering disciplines (Civil).

****Additional Information****AECOM is a place where you can maximize your innovative thinking and collaborate with a diverse range of highly intelligent and talented people. It's a place where you can apply your skills to some of the world's most challenging, transformational, and iconic projects.

We're an Equal Opportunity Employer and we've committed to creating a culture that embraces flexibility for all team members. We provide a diverse and inclusive work environment and offer many benefits to ensure your professional development & wellbeing.

+ Flexible start and finish times, working from home, part-time and job share options + Working from Home Tool Kits + Mobile Phone+ State of the art, modern and contemporary offices+ Paid Parental and Partner Leave+ Purchased additional annual leave + salary packaging+ Corporate Employee discounts from up to 400 retailers + Wellbeing benefits e.g.

, vaccinations, health insurance discounts+ Employee stock purchase plans + Professional memberships re-imbursed+ Professional and technical development opportunities. Global opportunities in one of the world's best engineering consultancies ****Here, you will have freedom to grow in a world of opportunity.**

**** We will give you the flexibility you need to do your best work. Whether you're working from**

an AECOM office, remote location or at a client site, you will be working in a dynamic environment where your integrity, entrepreneurial spirit and pioneering mindset are championed.

With infrastructure investment accelerating worldwide, our services are in great demand, and there's never been a better time to be at AECOM! Join us, and you'll get all the benefits of being a part of a global, publicly traded firm – access to industry-leading technology and thinking and transformational work with big impact and work flexibility. We will encourage you to grow and develop your career with us through our technical and professional development programs and diverse career opportunities.

We believe in leadership at all levels. No matter where you sit in the organization you can make a lasting impact on the projects you work on, the teams and committees you join and our business.

AECOM provides a wide array of compensation and benefits programs to meet the diverse needs of our employees and their families. We also provide a robust global well-being program.

We're the world's trusted global infrastructure firm, and we're in this together – your growth and success are ours too. As an Equal Opportunity Employer, we believe in each person's potential, and we'll help you reach yours.

Join us and let's get started. ****ReqID:** J10075243** ****Business Line:** Transportation**
****Business Group:** DCS** ****Strategic Business Unit:** ANZ**
