## Site Manager

[Apply Now](#)

Company: Broad & CIMIC Group

Location: Australia

Category: other-general

Update your details, view your application and progress. Broad Construction is a trusted managing contractor within the Australian building industry and a member of the CIMIC Group with a 30 year history of delivering large, complex new build, fit-out and refurbishment projects on time and within budget. We aim to achieve mutual success in all we do. We work with our clients, stakeholders and communities to add value and successfully deliver projects by taking a leadership role in the built environment, embracing a collaborative and innovative approach, and working in a sustainable and responsible way. Broad is a blended business backed by an experienced and passionate team – we recognise our people are our most valuable asset. We are currently searching for expressions of interest for a Site Manager to support our WA Operations. About the Role Successful candidates will be responsible for achieving optimum production and cost outcomes through the management of direct staff and subcontractors whilst maintaining a healthy and safe work environment and committing to environment and sustainability requirements. As the successful candidate you will need to be a self starter who is highly motivated, well organised and committed to the highest possible work standards and safety. You will also have the ability to build strong relationships with internal stakeholders, clients and subcontractor. Skills and Experience To be considered for our talent pool and future positions, you will require: Experience as a Site Manager on building construction projects with project value in the range of upto \$60 Million Proven ability to drive and deliver successful projects Demonstrated understanding of safety, health and environment best practice Solid leadership, communication and management skills to lead and develop an effective and

productive team Culture and Benefits The successful candidate will be rewarded with the opportunity to work on diverse and challenging city based projects and on-going professional development within a supportive and friendly team environment. How to Apply Only people with the right to work in Australia may apply for this position. Broad Construction is committed to equal employment opportunity (EEO) and actively seeks to remove barriers people may face in gaining a successful position. We value diversity, inclusion, and equity through providing a working environment where all employees feel included, valued, and free to bring their different skills, experiences, and perspectives. All applications and enquiries will be treated in strict confidence.
