### About the company

A well-established local company specialising in Project Management, Fit Outs, alterations and renovations, maintenance and trades services to ACT region. Their clients are both in the private and government sectors across residential, commercial and government properties. They pride themselves on providing superior service and products to their clients throughout the region with the backing of a dedicated team. They know that they cannot deliver to their customers without great people.

### About the role

Due to exceptional business growth, we are looking for an experienced Site Supervisor. In this role, you will be responsible for the general management and co-ordination of all site operations and the day-to-day running of each project. This includes general administration, ensuring all statutory, legal and other systems requirements including policies and plans are met, along with client satisfaction. Directly reporting to the Project manager.

### Key Responsibilities for the role

- \* Daily management and co-ordination of subcontractors and suppliers, oversee workmanship and meet project timelines
- \* Accurately setting out project works, ensure all materials inspected for conformance and meet project requirements.
- \* Verify all works comply with requirements, ensure instruments and equipment are well

maintained. Maintain all qualifications and licences are in place.

- \* Carry out mandatory Site Induction of all trades and personal, ensure all risks and hazards are assessed daily and addressed.

#### Skills & experience

- \* Site Management and Building Industry experience in both residential and commercial construction and maintenance and repairs

- \* Experienced in OHS with a proven record of ensuring a healthy and safe environment for employees, contractors and visitors. Understanding and experience with swms, project scheduling, reading and interpreting plans and ITP's.

- \* Excellent communication and advanced time management skills, high attention to detail and strong problem solving abilities

- \* Relevant building qualification, white card, silica and asbestos certificates

- \* Current First Aid Certificate (including CPR) Culture

Enjoy a family focussed culture, a cohesive team environment and be part of the company's ongoing success. Suitable for someone who is seeking a rewarding role with a supportive Director and team who are committed to providing the highest level of service to his or her loyal customer base.

#### Rewards and Benefits

Work for a company that appreciates and values its team. Negotiable salary based on experience \$90K - \$110k plus vehicle, super and performance based bonuses. This company is very well known for treating their people well and provide career progression, training opportunities and more. You would not be treated like a number and due to the diversity of the role, no two days would be the same.
