

## Snr Project Accountant

[Apply Now](#)

Company: UGL

Location: Australia

Category: business-and-financial-operations

### **We're changing the way Australia generates its energy, are you ready for a change?**

We work on challenging and exciting projects that shape the way we evolve, adapt, and transform the industries we work in. We rally together, drawing on the diverse skills across our teams and create environments where great ideas are heard.

This opportunity will see you join UGL, whereas a key member of a highly experienced team within the Utilities business you will work on projects within the Power and Water infrastructure sector.

**Location: Brisbane or Sydney.**

#### **The Role**

As the Project Accountant, you will be responsible for establishing and controlling project finances, deep diving into data and generating financial reports, providing insight, and leading process improvement in the tracking and management of financial and cost data. Working with the Project Finance Manager, you will provide necessary financial support to maximise contract outcomes and allow the business to clearly establish a projects likely net financial position at completion.

#### **Key Responsibilities:**

Provide the Finance Manager with financial assessments and information with which to ensure planning and budgeting activities meet Contract goals.

Accountable for ensuring the month end process is run in an efficient and timely

manner, complying with time schedules as per set deadlines. Active hands on participation to ensure business unit meets all deadlines.

Analyse costs, pricing, variable contributions, margin results and the Contract/Project actual performance compared to the budget/forecast plans controlling income, cash flow and expenditure.

Ensure budgets and forecasts for all relevant projects within the portfolio are appropriately forecast and uploaded into SAP.

Actively work with and manage the output of Cost Administrators to ensure quality and timely information is captured.

### **About you**

To be successful in this role you will need the ability to work with a dispersed business team, provide insightful information and implement solutions that guide proactive decision making that achieve the desired business outcome.

- Degree qualified in Commerce or Accounting
- CPA/CA or Equivalent is essential
- Proven experience in similar construction roles.
- Experience with SAP is desirable
- Advanced Excel Skills

### **What we Offer**

- Diverse opportunities to grow, back yourself and achieve
- Ongoing training for career progression
- A competitive remuneration package with salary continuance insurance, employee assistance program for employees and their families, AIA Vitality wellness program and Discounts on private health insurance, vehicles, travel and more

### **What makes you right for UGL**

- Ability to provide a safe, supportive, and positive workplace
- Empower a united and collaborative culture
- Deliver technical excellence and create efficient, innovative solutions
- Build an enviable reputation and the trust of employees, clients, and other stakeholders

- Genuine concern for safety

## About Us

UGL is well-known and respected for providing end-to-end engineering, construction and maintenance services within, rail and transport, communications and technology systems, oil and gas, power, renewables and resources, water and defence markets. UGL partners with some of the world's largest blue-chip companies and government agencies, private enterprises, and public institutions. We are a member of the CIMIC Group of companies.

At UGL, we value diversity – in the backgrounds, ideas, work styles and perspectives of our team. We are an Equal Opportunity Employer and strongly encourage people with disability, Aboriginal & Torres Strait Islander people, mature aged workers, and people from culturally diverse backgrounds to apply.

Please note that relevant screening checks will be conducted as part of the recruitment process. These may include a national criminal history check and for you to undergo pre-employment medical assessment including drug and alcohol screen.

UGL does not accept unsolicited resumes from recruiters or recruitment agencies.
