Job Description:

About Us:At Milestone IT, we don't just recruit; we ignite careers and fuel innovation. We're on the hunt for an exceptional Solution Architect to join our clients elite team and embark on an exhilarating journey. This role offers the chance to create, innovate, and shape the future of their IT solutions!

Role Overview:Imagine yourself at the forefront of technology, crafting cutting-edge infrastructure and network solutions that will leave a mark on the digital landscape. Our client, a true pioneer, is seeking a Solution Architect to lead the charge in designing Azure, hybrid, and on-premises infrastructure solutions.

Key Responsibilities:

Architect Marvels:Design awe-inspiring infrastructure and network solutions.

Azure Alchemist:Channel your expertise in Azure, hybrid, and on-premises infrastructure.

Blueprint Master:Create and validate Solution Architecture Design documents with the precision of an artist.

Communication Virtuoso:Translate complex technical jargon into captivating stories for non-technical stakeholders.

Guiding Light:Provide visionary leadership and guidance to a dedicated team.

Bonus Quests:Venture into the realms of Cisco UCS, IBM storage, Commvault Metallic,

Cisco Network, and Pure Storage (if you dare!).

Qualifications:

Trailblazing Architect:Proven track record as a Solution Architect in the realm of infrastructure and network solutions.

Azure Whisperer:Profound expertise in Azure, hybrid, and on-premises infrastructure.

Wordsmith Wizard:Exceptional communication skills, capable of enchanting non-technical audiences.

Extra Credit:Familiarity with Cisco UCS, IBM storage, Commvault Metallic, Cisco Network, or Pure Storage? Consider it a bonus point!

Duration and Potential:This isn't just a job; it's an adventure! Your journey begins with a thrilling 6-month contract, and the possibility of a permanent role or an epic contract extension awaits those who dare to impress.
