Exciting opportunity within a Federal Government Department

Initial 12 month contract with EXTENSION options!

Rewarding hourly rates $$$

One of Australia's prime Federal Government departments is looking to engage a skilled **Solution Architect** to assist in providing technical leadership and guidance for complex work that delivers high-quality professional solution architecture. **Solution Architects** will be accountable for delivery of successful outcomes based on an in-depth knowledge of and compliance with relevant legislative frameworks. The successful **Solution Architect** will be offered a **12 month contract with a further 12 months of extensions.**

The successful **Solution Architect** will be responsible for, but not limited to:

Leading and producing solution designs, system views and architectures using logical models of components.

Translating business requirements from different stakeholders into technical solutions.

Assessing and measuring projects to understand critical factors for success and develop support risk mitigation strategies.

Preparing, and facilitating workshops with stakeholders from differing backgrounds, to

reach a desired goal.

The successful **Solution Architect** will have experience in the following:

A minimum of 5 years' experience as Solution Architect.

An in-depth knowledge of the ICT strategy and architecture function.

Development, implementation, compliance and review of policies and procedures.

Applied knowledge of project planning in relation to scope, time, quality, communications and risk management for solution design and project implementation activities.

Provided expertise across a broad range of activities relating to the work of different program areas.

This is a great opportunity with a **Federal Government department** where you will provide your expertise and support! The successful **Solution Architect** will be offered an initial **12 month contract with a further 12 months of extension.** If you have the required skills and experience, **APPLY NOW.** Please forward your application to **jobs@hitechaust.com** quoting reference number **JA0925.** For more exciting job opportunities go to **www.hitechaust.com** .
