Company: Green Light

Location: Australia

Category: computer-and-mathematical

Solve Engineer

Green Light Worldwide are seeking a talented and experienced Solve Engineer to join our team. The ideal candidate will have a strong background in system automation and optimisation, with expertise in installing, customizing, and maintaining Solve:Operations, IBM Z System Automation, and IBM Z NetView.

Responsibilities

- Install, customize, and maintain SOLVE:Operations, IBM Z System Automation, and IBM Z NetView solutions to optimize system performance and efficiency.
- Collaborate with clients to understand their requirements and provide tailored solutions.
- Conduct system assessments and recommend enhancements to improve performance and efficiency.
- Provide ongoing support and troubleshooting for SOLVE:Operations, IBM Z System Automation, and IBM Z NetView implementations.
- Stay updated on the latest developments in Solve technology and related systems, recommending upgrades or enhancements as needed.
- Utilise NCL and Rexx languages for design, coding, and testing to streamline processes such as system monitoring, event management, job scheduling, workload automation, and performance analysis.

Requirements

- Bachelor's degree in computer science, Information Technology, or a related field.
- Proven experience in installing, customizing, and maintaining SOLVE:Operations, IBM Z System Automation, and IBM Z NetView solutions.
- Strong understanding of system architecture and infrastructure.
- Experience in design, coding, and testing with Solve:Operations NCL and Rexx languages.
- Excellent problem-solving and analytical skills.
- Effective communication and interpersonal skills.
- Ability to work independently and collaboratively in a team environment.

Green Light is one of Asia Pacific's most successful and fastest growing IT services businesses. We offer a wide range of IT services in Security, infrastructure, and Systems Integration to a diverse customer base throughout Australia, New Zealand, SE Asia and Europe.

How to Apply:
