

Staff Specialist - Nephrologist

[Apply Now](#)

Company: Jps Medical Recruitment

Location: Australia

Category: other-general

The Position

Our client has a great opportunity for a General Physician/Nephrologist to join the unit on a Full Time basis.

The Facility

Our client's health service operates across two facilities, the main of which is a 600 bed teaching hospital and major trauma centre for ACT and Southern NSW. The health service has recently joined with a second 250+ bed hospital, also providing acute and sub acute services to the ACT and SE NSW. The health service has strong ties with several universities, and the preferred applicant may also be considered for conjoint appointment with ANU.

The Location

Boasting a selection of Australia's most prestigious public and private schools and universities, the city also has a wide variety of art galleries, theatres, and museums to experience. It is a great place for young families, as well as anyone looking to enjoy the perks of city life without the grind of other urban centres.

The Requirements

To apply you must either be:

Registered with AHPRA and have at least 12 months recent experience in Nephrology and Renal Medicine On RACP training program Hold the FRACP IMG's eligible for Competent Authority Pathway - UK, Ireland, Canada, USA, NZ IMG's with RACP interview date IMG's assessed by RACP and found to be substantially comparable. For more
