Company: Newmont Corporation

Location: Australia

Category: other-general

At Newmont, people create the value in the metals we mine and are ambassadors in the communities where they live and work. As a team, we foster an environment in support of our people vision, where everyone belongs, thrives and is valued. We have built a diverse and inclusive workplace where our people can bring their differences to support delivering results together. Newmont Tanami is on Aboriginal freehold land 540km northwest of Alice Springs. It is a long-life, low-cost, world-class asset in a core Newmont region. The Tanami Expansion 2 project, aims to extend the mine life beyond 2040, investing in a hoisting shaft which will increase the production of the underground mine from 2.6 Mtpa to 3.2 Mtpa.

Both the successful exploration within the underground operation and implementation of the first Tanami Expansion has laid the foundation to further develop the operation to remain a major contributor to the Newmont portfolio. A fully equipped camp is located 40km from the site offering leisure facilities for those flying in from Perth, Brisbane, Alice Springs or Darwin. Join us and unearth your potential in a global company that is at the forefront of shaping the future of the mining industry. The Role As an Underground Store Person, you will report directly to the Backfill & Services Supervisor, this role will have you provide support activities with respect to the safe and efficient delivery of materials and equipment to the underground mining areas. Responsibilities Ordering of stock as required from stores Collection and delivery of materials to the designated mining areas Recovery of out of service Light Vehicles from underground locations Stock take and delivery of ground support consumables to underground storage areas Daily resupply of underground diesel fuel stores The duties and responsibilities listed above are representative of the nature and

level of work assigned and not necessarily all inclusive. You the Person Previous underground mining experience HR Drivers Licence Integrated tool carrier and forklift experience Experience in safe loading practice and delivery of materials and equipment Demonstrates a high level of troubleshooting/problem solving skills Able to communicate effectively within the Mining Department, other NTO Departments and Business Partners. Demonstrate an advanced standard of safety awareness and work ethics. Demonstrate a sound understanding of underground mining practices. (tools and consumables) The Benefits This position will see you working a 2:2 work roster with dayshift/nightshift rotation with FIFO options available from one of our 4 points of hire, Darwin, Alice Springs, Perth or Brisbane. A competitive remuneration package will be offered to the successful candidate inclusive of production bonus, private health insurance and FIFO allowance. Applications close Friday, 26 April 2024 We understand no candidate will meet every single desired qualification. If your experience looks a little different from what we've identified and you think you can bring value to the role, we'd love to learn more about you! Our business success comes from the accomplishments and well-being of our employees and contractors. Our goal is to build a workplace culture that allows every person to thrive, participate, grow, and proudly play an active role in achieving our strategy. Newmont is an Equal Opportunity Employer. We are committed to recruiting, hiring, placing and promoting the best individual for each position without regard to personal characteristics such as gender, race, nationality, ethnicity, social and indigenous origin, religion or belief, disability, age, sexual orientation, etc. We invite women and applicants with diverse backgrounds to apply, particularly First Nations persons of Aboriginal and Torres Strait Island descent. Newmont acknowledges First Nations People and respects their enduring connection to Country from which their culture, spirituality, and identity flow.
